

Welcome to Vanderbilt! We congratulate you on your acceptance and look forward to serving you at the *Vanderbilt Student Health Center*.

All incoming students are required to have **State of Tennessee and Vanderbilt University** mandated vaccinations before attending classes on campus. **As such, Vanderbilt University holds class registration until these requirements are met.**

Please review carefully:

State of TN & Vanderbilt University Required Immunization for Undergraduate and Graduate Students— *Registration will be held if not compliant

***M.M.R. (MEASLES, MUMPS, RUBELLA)- 2 doses required:**

Dose #1 given at age 12 months or later / Dose #2 given at least 28 days after first dose

-We will also accept official titer results showing positive IgG immunity.

-You are exempt from the M.M.R. vaccinations if born prior to 1956.

***VARICELLA - 2 doses required :**

Dose #1 given at age 12 months or later and after 1995 / Dose #2 given at least 28 days after first dose and after 1995

-We will also accept official titer results showing positive IgG immunity

-We will accept History of the Disease (Chicken Pox) for domestic/non-international students. If you had the disease, you will need to provide a written statement from a parent or provider including their full name and the month and year of the disease.

-You are exempt from the varicella vaccine and requirements if born prior to 1980.

***MENINGOCOCCAL-A,C,Y,W type (for bacterial meningitis)**

Vaccine must be administered after age 16 - You are exempt from this requirement if you are **NOT** living on campus (most graduate students).

Recommended Vaccinations by CDC and SHC (registration will NOT be held)

Hepatitis A- 2 doses

Hepatitis B- 3 doses

HPV- 3 doses

Meningococcal- Serogroup B

Polio Series

Tdap
