

VANDERBILT ANESTHESIOLOGY

The BH Robbins Scholars Program

Director: Frederic T. (Josh) Billings IV, MD, MSc, Professor, Research Division

Assoc Director: Carrie Grueter, PhD, Research Associate Professor, Research Division

Program Manager: Amy Zipp

Goal: The curriculum is intended to facilitate learning in the following areas: 1) skillsets required to become a successful physician-scientist, 2) resources available at VU/VUMC, and 3) personal and professional development. The format of the sessions is designed to create a psychological safe environment encouraging active engagement in an effort for scholars to know and reach their full potential. Most of the sessions are designed to also provide opportunities to network and engage with research faculty and leadership in the Department and VU/VUMC.

Programming 2024-25

Time & place: First Thursday of each month, VUH 2301 (Entry code 231) or TVC 4648

Session- 3:30 pm – 4:30 pm; Scholars' Meeting- 4:30-5:00 pm
