What is the relationship between CDA and the Annual Clinical Committee (ACC)?

We *schedule* faculty's clinical and academic effort based on a total of 221 available days (253 weekdays/year, minus 27 vacation and 5 educational leave/flex days) for a full time faculty member. Each faculty member ultimately is assigned an Annual Clinical Commitment (ACC) which is the total number of clinical days they can expect to work that academic year. The ACC is 221 minus the CDA.
