How long do you have to be with the Department as a faculty member to apply for AAA?

Anyone that worked for the Department during the academic year the AAA is for, including anyone who started during that year, is eligible to apply for an AAA. For example, for AY20, anyone that started between 7/1/19 - 6/30/20 who will still be a faculty member through 9/30/20 can apply for an AAA. Anyone who started on or after July 1st of the current calendar year does not participate in previous academic year's AAA Program.
