At PANAC, we hope to raise enough funds to sponsor 30 African nurse anesthetists to attend. Please visit nurse anesthesia education in Africa, we need your support! In addition to sending up to six VUMC CRNAs to teach at the African Nurse Anesthetist Conference (PANAC) in Kenya in 2020. In order to take this big step toward advancing healthcare in Africa, we have planned to work closely with the International Federation of Nurse Anesthetists and the Kenyan Registered Nurse Anesthetist Chapter to hold the first ever Pan-African Nurse Anesthetists’ Congress. This event will bring together nurses from across the continent to share knowledge and experience. We are excited about this opportunity to advance healthcare in Africa and hope you will consider joining us in this effort. Please visit https://www.vumc.org/giveto/PANAC to learn more and make a donation.

Funding for this event is provided by a grant from the Vanderbilt University Medical Center’s Center for the Study of theAmericas.

Call to Action:

Join Journal Club

Please contact Rachel Apple at rachel.apple@vumc.org with questions and to express interest in joining the VUMC Journal Club.

Join Journal Club Group's ListServ.

Please contact Camila Walters at camila.walters@vumc.org to join the VUMC Journal Club Group's ListServ.

Calling All VUMC Faculty Physician Parents

Join us Wednesday, Nov. 20, starting at 6:15 a.m. There will also be a flu shot station for CRNAs. Occupational Health will be at the CRNA Staff Meeting on Sept. 18.

Don’t Forget: Link Your ORCID iD to Your eRA Commons Profile

Beginning Tuesday, Oct. 1, ORCID identifiers will be required for all individuals supported by institutional research training, career development, and other research education awards.

Unsuccessful PIV creation. This does not create an LDA. See screenshot below to see the new rows:

The Lines/Drains/Airways tab for Anesthesia users will display the four flowsheet rows to be documented related to unsuccessful. The intention of the rows is to capture the attempts outside of the actual creation of an LDA.

Anesthesia users click on Flowsheets activity under “More”.

Inpatient Nursing has added a new group in Flowsheets to document when Peripheral IVs are attempted but unsuccessful. The OpTime Anesthesia team has added the same flowsheet rows to the OR LDAs flowsheet as well.

In addition, the Anesthesiology Education Conference Schedule is now distributed on Tuesday.

Submit questions/content to: Anesthesiology Communications.

Please submit content by 6 p.m. Monday for each Tuesday issue.

Weekly Update

Send your news, awards, and accomplishments — to be shared in faculty and staff meetings, newsletters, and social media — to succomms@vumc.org. We want to hear from you!

Happy Birthday!

We are happy to congratulate you. Please visit our website to view our September Birthdays.

Vanderbilt International Journal Club (VIJC)

Vanderbilt International Journal Club (VIJC) is now distributed on Tuesday.

Vanderbilt International Journal Club (VIJC) is a quarterly forum for faculty, residents, fellows, and medical students from around the world to discuss important articles in the field of anesthesiology.

Submit questions/content to: Anesthesiology Communications.

Please contact Camila Walters at camila.walters@vumc.org with questions and to express interest in joining the VUMC Journal Club.
