COVID Clinical Resources - Bookmark Us! Department of Anesthesiology COVID Educational Materials VUMC Coronavirus Information

IMPORTANT: COVID-19 UPDATED ON WEBSITE

Every VUMC website has a blue pop-up or banner with links to the most up-to-date COVID-19 management guidance. It is changing daily.

Faculty, staff, and trainees should refer to that website (www.vumc.org/coronavirus) for guidance related to COVID-19 questions.

-Warren S. Sandberg, MD, PhD

CLINICAL INFORMATION

CODMAN ICP Monitor

All patients with an ICP monitor (EVD or Intraparenchymal Codman Monitor) should have their ICP monitored during surgery.

Laminated PDFs on Codman "how to set up" will be available in some of the ORs and AIC desk and Anesthesia Work room for reference.

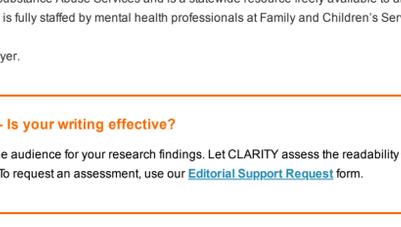

A SOP will be created and posted shortly which will include a video.

If you have any questions please contact Letha Mathews or Tammy Freehling.

Click here for instructions.

COVID Resources Update

On Wednesday, Nov. 11, 2020, eStar was updated to include the COVID-related documents most pertinent to the perioperative management of surgical patients. Images below illustrate where you can find this under i-Care Guidelines.

OPPORTUNITIES, RESOURCES & OTHER ANNOUNCEMENTS

NEW: Emotional Support Line

The COVID-19 Emotional Support Line for Healthcare Workers (888-642-7886) is supported by the TN Dept of Mental Health and Substance Abuse Services and is a statewide resource freely available to anyone working in healthcare.

Click here to view flyer.

NEW: CLARITY - Is your writing effective?

Poor writing limits the audience for your research findings. Let CLARITY assess the readability of your manuscript before submission. To request an assessment, use our Editorial Support Request form.

UPDATED: COVID-19 Literature Search

Many faculty have expressed interest in easy access to the latest and best scientific evidence about COVID-19. The CLARITY program has developed a custom PubMed search designed to capture most of the anesthesia professional relevant evidence-based literature on COVID-19 appearing in the highest-impact general and anesthesia journals.

- Click on the link provided above to see this week's article list in PubMed.
Select "Log In" (top right corner of screen).
Select "other log in options."
Search Vanderbilt on the next screen or scroll down to click on Vanderbilt University and enter your VUNet ID and password.

You are now logged in to PubMed. By logging in this way, you have our search selections list available to scroll through (navigating left to right), and you can access full text for each article via the library subscriptions.

SurveyVitals - Scores and Alerts

Click here to view scores and alerts in SurveyVitals.

Contact Clark Weber if you have any questions or trouble logging in.

NEW: Department Achievements

Jerod Denton, PhD, has accepted the position of Director of Ion Channel Drug Discovery for the Vanderbilt Warren Center for Neuroscience Drug Discovery.

Congratulations to Carrie Reale for receiving the Harriet H. Werley Award. The award honors a nurse who is the first author of a paper presented at the AMIA Annual Symposium that is judged to be of exceptional scholarship and contribution to the advancement of nursing science through informatics.

Employee Recognition: GEMS (Going the Extra Mile)

We want to recognize good work when we see it and encourage our colleagues to recommend our next GEM. Do you know someone who has made your day brighter or easier? Someone who has gone above and beyond? Please let us know the details so that we can recognize that person for a job well done.

Please click here to submit a GEM recommendation.
