Christophor Canlas, MD, acting as interim Ambulatory Division Chief
Actively recruiting for an Ambulatory Division Chief, search firm hired to assist

GYN ERAS Cases Both in VOR and on 4S
GYN ERAS has been live since January 1st 2019 and appears as a banner in the patient chart. Please remember to order appropriate preoperative medications and give antibiotics in a timely fashion...

eStar - Outlook Integration
Due to the email migration to Office 365 and until the Epic 2018 upgrade in April, 2019, your surgical schedule will not appear in Outlook...

Summer Student Research Projects
Investigators should submit their research protocols to the PCRI via http://j.mp/2CKx8p3 by Wednesday, April 3, 2019...

Could You Use a Medical Student, Resident, or Fellow?
Do you have any outstanding or ongoing projects? Any data you've been sitting on or fellow? Perhaps you have an idea but need someone to run with it!

VIA Call to Auction
We need your help! Do you have an exciting hobby you would like to share with your colleagues? Do you have any items you have collected during your travels to donate for a good cause?
