All General Surgery and Anesthesia Faculty

We have been running Intern Skills sessions for the surgery and anesthesia interns this year. Our annual Global Assessment sessions run January through February and compile all we have taught them (consenting, central line placement, breaking bad news, etc). Importantly, we have attendings assess each intern and give them feedback.

I would greatly appreciate if you could assist us with any of the below Thursday afternoons, 3 p.m. - 5:30 p.m., CELA fourth floor. We need six instructors per date; we will run six rooms simultaneously and need an observer for each room. I will give you all you need day of, no prep work involved. Please email Maren (maren.e.shipe@vumc.org) if available for any date(s).

- 1/9
- 1/16
- 1/23
- 1/30
- 2/20
- 2/27

Thank you for everyone's help and time. I know the interns really appreciate it!

Community Service Opportunity

As we prepare for the holidays, I thought it would be nice to find a way to give to those in need. I recently learned about ShowerUp through the Nashville Predators when they collected travel-size toiletry items at a hockey game.

ShowerUp is a non-profit organization founded in 2016 that provides showers to some of the 10,000 homeless men, women and children in Nashville. Paul and Rhonda Schmitz started ShowerUp when they discovered that although there were resources available for the homeless in Nashville to help with food and clothing, there were very few places for them to shower. ShowerUp is working to change that - with the help of volunteers and through donations, they provide shower kits and other personal care items to those visiting the mobile showers.

I would like to invite you to join me by donating travel-size toiletries or clean, gently worn towels. For anyone interested in participating, you can drop off items at my office, 4623B TVC (in the MSA suite) from now until the week of Thanksgiving. They also have a wish list through Amazon and volunteer opportunities available on their website (www.showerup.org) if you are interested in knowing more.

You can donate individual items or assemble your own "shower kits," which can include:

- Shampoo
- Conditioner
- Soap/body wash
- Bath pouf/washcloth
- Deodorant
- Shaving cream (razors are donated through a company)
- Toothbrush & toothpaste

If you want to make a deluxe kit, you can add any of the following:
cotton swabs, non-alcohol mouthwash, lotion, comb/brush, feminine hygiene products

Feel free to bring back the hotel toiletries as you travel to conferences in the coming weeks.
