

September 3, 2019

Attention All ASA 2019 or any related meetings participants! Let us know by 09/13/2019 at 4 p.m. to be included in the department's "ASA and Related Meetings Guide."

Please click here to view the current list of ASA presentations/events and verify the accuracy for inclusion in our departmental ASA and related meetings guide.

If you are presenting at the ASA or a related meeting and your name/event is not listed or needs to be corrected, please email Jenelle Grewell. Be sure to specify the "Session Type" (e.g., 120-Minute Panel, Hands-On Workshop). If your presentation is at a related meeting, please include complete information, including the name of the meeting.

Upcoming e Star Change: Brief Op Note

Starting Wednesday, Sept. 4, the Brief Operative Note will automatically import inputs/outputs (I/Os) from anesthesia documentation. You should no longer have to give your surgical colleagues I/O information during emergence! Please make sure to have your fluids charted before the end of the case so that accurate information is imported, and communicate any additional fluid charting that you plan to do.

Click here.

Contact Harrison Johnson if you have any questions or trouble logging in.

New e Star Feature: Important Intraop Note

On Wednesday, Aug. 28, we released a new feature that enables anesthesia intraoperative teams to enter information that is important for future anesthesia teams to review. To enter a note, click the "I Note" button in the toolkit. Your note will be viewable in the Preprocedure 'Banner' section, the 'Prior Anesthesia' section and in the anesthesia record in chart review.

Click here for more information.

Important Medication Product Change: Succinylcholine

Our preferred succinylcholine product is changing (see pictures below). For the OR areas, the pharmacy will continue to provide prefilled syringes (No change to Prefilled Syringes).

On occasion, vials are still used, so we want to make everyone aware of this change. This new presentation will be available in Acudose machines in the ICU areas as well.

Old product.

ORCID iD

Did you know? Having an ORCID iD can streamline your next paper submission or grant application—and some journals now require an ORCID iD to submit a manuscript. Several funders now allow researchers to populate grant applications with data directly from ORCID (Open Researcher and Contributor Identifier). If you don't have an ORCID iD (or have no idea what your password is), contact department editor Yvonne Poindexter for assistance. Click here to learn more.

Personalized Lead Apron Measurements and Fabric Selection

Wednesday, Sept. 11, and Thursday, Sept. 12.

7:30 a.m. to 4:30 p.m.

Reminder: Surgery MM&I Conference

Wednesday, Sept. 4, 2019

6:30 a.m. to 7:30 a.m. in 214 Light Hall

Presenters: Burn/OES/Admin

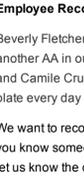

Calling All VUMC Faculty Physician Parents

The group is in the needs-assessment phase currently but ultimately hopes to address the needs of VUMC physician-parents related to childcare, education, and general parenting resources, among many other issues!

Please contact Rachel Apple at rachel.apple@vumc.org with questions and to express interest in joining the group's email ListServ.

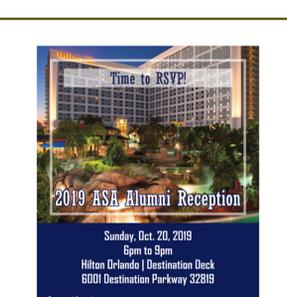

2019 ASA PRACTICE POSTER PRESENTATIONS
Friday, September 13, 2019
6:30 a.m.
Light Hall, North Lobby
Residents, present your posters and get feedback from our faculty.
Faculty, present your posters and provide mentorship to residents who are preparing their ASA presentations.
Email pratik.pandharipande@vanderbilt.edu if you have any questions.

Employee Recognition: GEMs (Going the Extra Mile)

Beverly Fletcher would like to recognize Kristi Yunker and Camile Crutcher: While I was out on FMLA, we had another AA in our division out as well. With two absent, this put a burden on AA support in our division. Kristi Yunker and Camile Crutcher stepped up with no hesitation and took on what needed to be done. Both have plenty on their plate every day without the added workload. Hats off to both these ladies!

We want to recognize good work when we see it and encourage our colleagues to recommend our next GEM. Do you know someone who has made your day brighter or easier? Someone who has gone above and beyond? Please let us know the details so that we can recognize that person for a job well done.

Please click here to submit a GEM recommendation.

Time to RSVP!
2019 ASA Alumni Reception
Sunday, Oct. 20, 2019
6pm to 9pm
Hilton Orlando | Destination Deck
6001 Destination Parkway 32819

TIME TO RSVP!

Click here to RSVP.
