Who should submit an AAA Form?

All clinical faculty (except if ≤ 0.2 FTE or per diem) who are still on faculty on September 30th are eligible to submit an AAA Form.

All clinical faculty are strongly encouraged to submit an AAA Form even if their initially calculated points are below a share threshold, since additional points may be accrued for excellence in teaching, meaningful evaluations, awards, mentorship etc. which may positively impact your final AAA points. Also, the results of your AAA are used in the annual faculty review process.
