Williamson County Health Summit Participant Worksheet

Step 1: Reflecting on the data shared today, please write down 3 Health Needs that you consider high priority on the sticky notes provided.

Step 2: Discuss your thoughts with your tablemates.

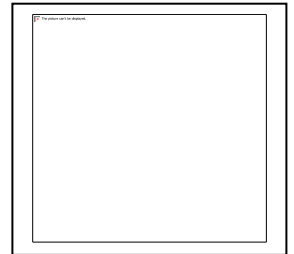

- Which Needs are similar?
- How can these Needs be consolidated?
- What are the outliers, if any?

Step 3: Consolidate similar Needs into up to 3 “buckets” for your table. Write Needs (up to 3) on the stickies provided (1 Need / Sticky)

Electronic Voting: Using the electronic voting system, please select the top THREE (3) priorities that you think should be addressed in Rutherford County.

Please use one of the options below to access the survey.

- Enter **redcap.vanderbilt.edu/surveys** into your web browser.

**Williamson County Health Summit
Table Discussions Worksheet**

Directions: Based on one of the Identified Needs, work with the people at your table to answer the questions below. Use this worksheet to jot down notes. You will turn this worksheet/notes in to summit organizers.

Health Issue:

Table Host:

- 1) Which population(s) are most affected by this need or problem?

- 2) Please identify one to three goals that your group would like to see achieved related to this need.

- 3) What organizations are already working on issues related to this need? Who are the potential collaborators?

- 4) After 3 years, what does success look like for this need?
