

The Good Job Report

Patients and colleagues share support on social media for VUMC and its dedicated employees

April 3, 2020

HEALTH CARE WORKERS ARE HEROES! THANK YOU FOR SACRIFICING YOUR TIME, LIFE AND HEALTH TO AID OTHERS ENDLESSLY. NOT ONLY DURING THESE TIMES, BUT ALWAYS ARE YOUR EFFORTS IMMENSELY APPRECIATED BY SO MANY.

MERRIAM-WEBSTER NEEDS TO COME UP WITH A WORD GREATER THAN 'THANK YOU.' I'M SPEECHLESS AND HUMBLED BY TIRELESS ACTS OF HEROISM.

“ *We retired to Nashville to be close to Vanderbilt Medical Center. Our previous doctors in Chicago at Northwestern highly recommended them. (Plus, my hubby graduated from Vandy). I am so blessed to have y'all to care for me and my family. I never plan on moving elsewhere because I trust y'all and admire you so much. Please stay safe and THANK YOU for what you are doing for us!*

I just had a telehealth visit on 3/31. It went great. It was a follow-up appointment and I felt we were able to cover everything. Thank you to Vanderbilt Health for providing this service. I would do one again with no problem!

A HUGE THANK YOU TO ALL OF THE VANDERBILT STAFF FOR SERVING OUR COMMUNITY EVERY DAY AND ESPECIALLY DURING THIS STRESSFUL TIME. WHAT AN AMAZING, WONDERFUL HOSPITAL! A SPECIAL SHOUT OUT TO THE TRANSPLANT TEAM FOR SAVING MY BEAUTIFUL GRANDDAUGHTER. PRAYING FOR THE HEALTH AND SAFETY OF ALL STAFF.

Thank you to every single caregiver staring down COVID19 — you all are superheroes! Behind the scenes are IT folks from Health IT and VUMC IT. These teams are taking care of the technical needs for our end-users (the superheroes) and making sure our infrastructure stays healthy. You are the equally important superhero's sidekick. Thanks to each and every one of you as well.

On #nationaldoctorsday, we express our gratitude to the health care professionals working tirelessly at Vanderbilt Health and everywhere.

To all our health care workers, a note from my sons, aged 9 and 13: Thank you for being there and helping to deal with the unknown. It is a very big deal and you have impacted many lives. We appreciate you for letting us know what to do to stay safe. Not only is it helping people, but it is also a choice you have made to benefit humanity and help stop the spread of this virus. We need you more than ever during this crisis and we would like to say thank you for always being there even without a crisis on our hands. Have a good day!

WE APPRECIATE YOU. WE SEE YOU. THANK YOU FOR ALL YOU ARE DOING TO HELP KEEP OUR COMMUNITY HEALTHY, SAFE AND HEAL.
