THANK YOU FOR ALL YOU DO. BEST HOSPITAL EVER! WE ARE PRAYING FOR THE HOSPITAL STAFF THAT HAS DONE SO MUCH FOR OUR FAMILY.

THERE ARE NO WORDS WORTHY ENOUGH TO THANK ALL THE DRs AND NURSES FOR EVERYTHING THEY DO FOR THE CARE OF OTHERS ESPECIALLY IN A PANDEMIC. WHAT THEY GO THROUGH TO DO WHAT THEY DO. THE SACRIFICES THEY MAKE TO DO SO. THEY ARE THE REAL HEROES. MY HEART ACHES FOR THEM YET I HOLD SUCH PRIDE AND RESPECT IN THEM. IN MY THOUGHTS AND PRAYERS ALWAYS....THANK YOU!

You are saving the world. Keep looking up. We are going to make it.

Thankful and grateful to Vanderbilt for the care provided to my family over the past 40 years. Praying for the doctors and nurses everyday. Thank you for your selfless acts and dedication to patient care. You are truly heroes.

Thank you for going above and beyond what you have to do!

You walked with me through chemo and now I walk with you as you work so hard on the front lines. I know that no storm lasts forever, no matter how big the storm. Be safe, Nashville needs you.

Many thanks and gratitude for all medical personnel as they work so diligently and compassionately during these difficult, stressful, and fearful times. Prayers are with you all.

Thank you for all the hours and extra work you put in daily. I respect all of you tremendously and am grateful for all the talented, caring health care workers who are putting their lives at risk to care for others.
