Mary Katherine Cella, PharmD

Mary Katherine, or MK, is from Murfreesboro, Tennessee, and attended Lipscomb University for both her undergraduate and pharmacy school education. She completed her PGY-1 Pharmacy Residency at Vanderbilt University Medical Center in Nashville, TN. Her clinical interests in cardiology include advanced heart failure, anticoagulation, and cardiovascular critical care. In her free time, she enjoys reading a good book, cheering on her favorite sports teams, and spending time with her husband, friends, and family. A fun fact about MK is that both of her parents are pharmacists and her grandfather invented drugs as an organic chemist!
