

2014-2015 Seminar Series

Date	Speaker	Title/Field of Study	Location
08/12/2014	Yana Zavros, PhD University of Cincinnati	"Studies of Gastric Disease and Repair Using Mouse and Human-Derived Organoids"	8380B Medical Center East (MCE)
09/09/2014	Rodney Newberry, MD Washington University School of Medicine	"New Roles for Goblet Cells in Intestinal Immunity"	8380B Medical Center East (MCE)
10/14/2014	Linda Samuelson, PhD University of Michigan Ann Arbor	"Notch pathway regulation of gastrointestinal stem cells"	8380B Medical Center East (MCE)
11/11/2014	Jean Wilson, PhD University of Arizona	"Control of barrier function and epithelial cell proliferation by membrane trafficking"	8380B Medical Center East (MCE)
12/9/2014	Melissa Wong, PhD Oregon Health and Science University	"Control of barrier function and epithelial cell proliferation by membrane trafficking"	8380B Medical Center East (MCE)
01/13/2015	Yu-Xiao Yang, MD, MSCE, FACP University of Pennsylvania Health System	"PPI Adverse Events: Fact vs. Fiction"	8380B Medical Center East (MCE)
02/10/2015	Lijun Xia, MD, PhD Oklahoma Medical Research Foundation	"Defective Intestinal O-glycosylation causes spontaneous colitis and colon tumor in mice"	8380B Medical Center East (MCE)
03/10/2015	Simon Hogan, PhD Cincinnati Children's	"Immune regulation of intestinal epithelial ion transport"	8380B Medical Center East (MCE)
04/14/2015	Andrew Chan, MD, MPH Dana-Farber/Harvard Cancer Center	"Aspirin for the Prevention of Colorectal Cancer"	8380B Medical Center East (MCE)
05/12/2015	Gen-Sheng Feng, PhD University of California, San Diego	"Conflicting roles of molecules in liver cancer, a new paradigm"	8380B Medical Center East (MCE)
06/09/2015*	Manuela Raffatelli, MD* University of California, Irvine	Guts, Germs and Steel: Microbes and Metal in the Inflamed Gut"	8380B Medical Center East (MCE)
07/14/2015	Matthew Grisham, PhD Texas Tech University Health Sciences Center	"Dysbiosis in Mouse Models of Chronic Gut Inflammation: <i>Cause or Consequence?</i> "	8380B Medical Center East (MCE)
