

Directions to Vanderbilt University Institute of Imaging Science (VUIIS) & Parking Information

Parking:

- Free parking is available across the street from VUIIS in the East Garage.
- I would recommend using this address (**1211 Medical Center Drive, Nashville, TN 37232**) in **Google Maps**.
- This will take you straight to the garage where you can valet for free or self-park.

Directions to Vanderbilt University Institute of Imaging Science (VUIIS) & Parking Information

Where we are located:

- Building address: **1161 21st Avenue South, Nashville, TN 37232**
- The VUIIS building is the tall glass building located on the **corner of Medical Center Dr. and 21st Ave South.**
- See next page for visual walking directions from East Garage to VUIIS.
- Go down the large set of concrete steps leading down to the

VUIIS Imaging Center

entrance of this glass building.

- There is a fire lane just in front of the building before the steps going down.
- Go through the double glass doors and **I will meet you here in the waiting area (green chairs)** across from the elevator.
