ACADEMIC APPOINTMENTS

- Associate Professor of Clinical Psychiatry
Department of Psychiatry and Behavioral Sciences
Vanderbilt University School of Medicine
July 2017 to present
- Assistant Professor of Clinical Psychiatry
Department of Psychiatry and Behavioral Sciences
Vanderbilt University School of Medicine
September 2009 to June 2017

HOSPITAL APPOINTMENTS / CLINICAL EXPERIENCE

- Practice of forensic psychiatry, child psychiatry, and general psychiatry
August 2009 to present.
- Quality and Patient Safety Director
Department of Psychiatry and Behavioral Sciences
Vanderbilt University Medical Center
July 2017 to present

This administrative position works to encourage a culture of safety in Vanderbilt health community through improved quality of care and training of faculty. Working with risk management, administration, and clinical staff are essential aspects of the position including the assessment of adverse events.

- Center of Excellence
Vanderbilt University School of Medicine
Department of Psychiatry
Nashville, Tennessee
July 2012 to present
At the COE I participate in case reviews which involve collaborating with DCS, families, caregivers, area mental health resources, and attorneys with regard to a child or youth who is in, or at risk of being placed in, state custody. The case reviews help guide the child's treatment planning with the goal of improving their care and reunification with their families.
- Inpatient Faculty, Child & Adolescent Unit
Vanderbilt Psychiatric Hospital
Nashville, Tennessee
August 2009 to present
This clinical position involves the acute care and management of psychiatric illness in children and adolescents. The treatment team evaluates the patient and creates a treatment plan with the help of the family/guardian.
- Eating disorders clinic
Division of Adolescent and Young Adult Health
Department of Pediatrics
Vanderbilt University School of Medicine
Monroe Carrell Jr. Children's Hospital at Vanderbilt
Nashville, Tennessee
August 2009 to present
This position involves collaborating with a team of three adolescent medicine physicians, a nutritionist, a social worker, and nurses trained in the diagnosis and treatment of young people with eating disorders. I have established a strong presence within the group such that I am an integral part of the treatment planning with the patients we care for in the clinic.
- Vanderbilt Health Alliance Network
Vanderbilt University Medical Center
Department of Psychiatry
November 2014 to present
This position involves fielding psychiatric consultation requests by phone with pediatricians and other providers within the VHAN network.

FORENSIC PSYCHIATRY EXPERIENCE

- Risk Assessment Evaluations
Contract with the Tennessee Board of Parole
Tennessee Department of Corrections
State of Tennessee
January 2010 to present
This contract involves evaluating inmates who are eligible for parole in Tennessee. The Board of Parole requests these evaluations for violent felony offenders and sex offenders.
- Rule 35 Evaluations
These evaluations are requested by the Court to assess the psychological health of a particular individual(s) for the purposes of their legal matter.
- Civil Cases
I perform a variety of civil cases including those in family court. They include malpractice evaluations, parenting time evaluations, capacity to parent evaluations, personal injury claims, workers compensation claims, and capacity to testify among others. I have been retained several times by the Department of Children's Services in addition to families and individuals.
- Criminal Cases
These assessments involve competency to stand trial, mental status at the time of the offense, and mitigation evaluations. The criminal cases involve both juveniles and adults.
- Geography of cases
Although generally from middle Tennessee, I have cases from Pennsylvania, New Jersey, Mississippi, South Carolina, Georgia, Kentucky, Ohio, Missouri, Florida, Louisiana, and Alabama.
