

## Placing Orders for Vanderbilt Dayani Center Medical Fitness Program

Medical Fitness Cancer Program is designed for VUMC patients during or after cancer treatment

If the patient needs skilled Physical Therapy, please complete a PT order.

If the patient needs an exercise plan, they have no impairment, and are medically approved for unrestricted exercise they may be referred see an exercise physiologist for a one time, \$45, hour long session. This is a retail service and is not billable to insurance.

1. Click **ADD ORDER** at the bottom of the patient's chart (like adding any order set).
2. Search for **Dayani**
3. Select **Ambulatory referral to Medical Fitness** and double click or select Accept.
4. Complete the order:

Ambulatory referral to Medical Fitness Accept Cancel
