HR EMPLOYEE SERVICE CENTER

The GME Office may be able to direct you in HR requests as needed, and can often provide needed services. Please first contact the GME office (gme.office@vumc.org) with any general questions.

If there are questions that the GME office cannot answer or for which a House Staff wishes to contact HR primarily, questions to HR can be directed to the Employee Service Center at (615) 343-7000 or Human.resources.vumc@vumc.org or visit their website: <https://hr.vumc.org/esc/>
