

CURRICULUM VITAE

Kelly L. Moore, MD, MPH

Address: 3804A Tulane Court
Nashville, TN 37215
Phone: (256) 656-2780
E-mail: drkellymoore@yahoo.com

EDUCATION AND TRAINING

- 2018 **Advanced Course of Vaccinology (ADVAC 19)**, Fondation Mérieux and Université de Genève, Veyrier-du-Lac, France
- 2003-2004 **Resident in Preventive Medicine**
Commissioned Officer, O-4 (LCDR)
United States Public Health Service
Centers for Disease Control and Prevention (CDC), Atlanta, GA
Duty Station: Tennessee Department of Health (TDH), Nashville
- 2001-2003 **Epidemic Intelligence Service**
Commissioned Officer, O-4 (LCDR)
United States Public Health Service
CDC, Atlanta, GA
- 2000-2001 **Resident in Pediatrics, Internship Year**
The Johns Hopkins School of Medicine
Baltimore, MD
- 2000 **Master of Public Health**
Harvard School of Public Health
Boston, MA
- 2000 **M.D.**
Vanderbilt University School of Medicine
Nashville, TN
- 1994-1995 **Vanderbilt University Traveling Fellowship**
Independent International Travel
- 1994 **B.S., Interdisciplinary (Neuroscience), *magna cum laude***

Vanderbilt University
Nashville, TN

CERTIFICATION AND LICENSURE

2015	Recertified, American Board of Preventive Medicine
2005	Diplomate, American Board of Preventive Medicine
2002	Licensed Physician, Tennessee, MD 36157
2001	National Board of Medical Examiners

ACADEMIC APPOINTMENTS

2013-present	Adjunct Associate Professor (2019-present) Assistant Clinical Professor (2013-2018) Department of Health Policy Vanderbilt University School of Medicine
2005-2013	Assistant Clinical Professor Department of Preventive Medicine Vanderbilt University School of Medicine

EMPLOYMENT

2018-Current	Independent Consultant: Immunization Policy and Practice Primary activities: Conceived, designed and piloted the Immunization Program Advanced Coaching for Leadership (IMPAC) program for the Association of Immunization Managers (AIM). Consultant to academic investigators on grants related to HPV vaccine school mandates and HPV vaccine practice quality improvement. Lecturer on vaccine-preventable disease control, pandemic preparedness. Co-chair, HPV Cancer Free TN Coalition. Member, Centers for Disease Control and Prevention (CDC) Advisory Committee on Immunization Practices (ACIP). Chair, World Health Organization (WHO) Immunization Practices Advisory Committee (IPAC).
2013-2018	Director, Tennessee Immunization Program (TIP), Tennessee Department of Health (TDH) Oversight of Vaccines for Children (VFC) Program, 317 federal

vaccines, Perinatal Hepatitis B Prevention Program, Vaccine Preventable Disease (VPD) Surveillance and Control, State Immunization Information System (“TennIIS”). Expanded TIP to 30 staff, ~\$7 million budget. Principle investigator, CDC Immunization and VFC Cooperative Agreement, and two Prevention and Public Health (PPHF) competitive grants. TDH expert on legislation and media pertaining to immunization.

2004-2013

Medical Director, TIP, TDH

Created the position, expanded staff from ~7 to ~16 state full time equivalents (FTE). Operating budget of ~\$5 million. Oversight of VFC Program, 317 federal vaccines, Perinatal Hepatitis B Prevention Program, VPD Surveillance and Control, Immunization Information System (“TWIS”). TDH expert on legislation and media pertaining to immunization. Title change in 2013.

2004-2008

Pandemic Influenza Planning Coordinator, TDH

Created TDH Pandemic Influenza Preparedness Program while also leading TIP. Two dedicated FTEs, ~\$1,000,000 annual budget. Responsible for state and regional public health planning and coordination with federal officials; created state Pandemic Influenza Planning Coordinating Committee of internal and external stakeholders; lead author of TDH 2006 Pandemic Plan; led development and execution of pandemic influenza tabletop and functional exercises.

PROFESSIONAL ACTIVITIES

Vanderbilt University

2005-present

Vanderbilt University Keegan Traveling Fellowship

Selection Committee (Co-chair, 2017-present)

2009-present

Vanderbilt Institute for Global Health (VIGH)

Affiliate (2011-present)

Community Advisory Board Member (2009-2012)

VIGH Global Health Forum Planning Committee (2011, 2012)

2015-present

Vanderbilt School of Medicine, Community Health Integrated Science Course, Lecturer (Jule West, MD, Course Director)

2017-present

Vanderbilt Master of Public Health Program

Curriculum committee member

State of Tennessee

- 2012-present **HPV Cancer Free Coalition (known until 2018 as the Cervical Cancer Free Tennessee Coalition), Co-Chair**
Coalition to promote effective use of HPV vaccine and screening for cervical cancer, composed of persons representing state and local public health, academic medical centers, primary care providers and patient advocates
- 2009 **State rule-making.** Promulgated first comprehensive revision and expansion of state immunization requirements in a decade for daycare, school, higher education with TDH general counsel
- 2009 **2009 H1N1 Pandemic Influenza Vaccine Distribution**
Created state pandemic influenza vaccine provider network, led distribution of pandemic vaccine to over 1,500 participating clinics. In first 7 weeks, achieved coverage rate 46% higher than national average
- 2006-2008 **State Cervical Cancer Elimination Task Force**
Appointed by Governor Phil Bredesen
- 2005 **State rule-making.** Promulgated comprehensive revision of state communicable disease control regulations with TDH general counsel

National

- 2008-present **CDC Advisory Committee on Immunization Practices (ACIP) Voting Member, 9/2015 to 7/2019**
Herpes Zoster Work Group (Member, 2016-2018; Chair, 7/2018-present)
Viral Hepatitis Work Group (Member, 2014-2016, 2017-2018; Chair, 9/2018-present)
Mumps Work Group (Chair, 2/2017-6/2018)
Meningococcal Work Group (Member, 2016-present)
Liaison Representative, AIM, 2/2011 to 7/2015
General Recommendations Work Group Member 2008-2015
- 2018-present **Sabin-Aspen Vaccine Science & Policy Group**
Charter member of expert group convened by the Sabin Vaccine

Institute and The Aspen Institute, Aspen, CO

- 2015-present **NSF-International Joint Committee on Vaccine Storage Equipment Standards** Developing the first U.S. standards for manufacturing of vaccine storage equipment
- 2004-2018 **Association of Immunization Managers (AIM)**
Chair, Vaccine Storage and Handling Committee (2006-2018)
Chair, Epidemiology and Surveillance Committee (2012-2014)
Executive Committee (2013-2014)
Chair-Elect (2014)
- 2017 **Options for the Control of Influenza IX**
Participant, Chicago, IL. August 24-28
- 2012-2016 **Faculty, National Foundation on Infectious Diseases Clinical Vaccinology Course.** Biannual continuing education program
- 2015 **Storage, Handling, Administration, Preparation Experts (SHAPE 3) Vaccine Working Group – Roadmap to Action,** December 2-3, Washington, D.C.
- 2015 **United States Senate Testimony**
U.S. Senate Committee on Health, Education, Labor and Pensions. “The Reemergence of Vaccine Preventable Diseases: Exploring the Public Health Successes and Challenges,” Washington, D.C., February 10
- 2014 **Association of State and Territorial Health Officers (ASTHO)**
Innovative Methods to Improve Access to Pandemic Influenza Countermeasures Workshop: Speaker, participant
- 2010-2012 **CDC International Vaccine Thermostability Working Group**
Co-chair, Temperature Excursion and Revaccination Subcommittee
- 2012 **Storage, Handling, Administration, and Preparation Experts (SHAPE, SHAPE 2) Vaccine Working Group:** Independent scientific advisory panel addressing issues in vaccine delivery. Washington, D.C.
- 2006 **Consultant to CDC,** national pandemic community mitigation strategy planning meetings June 14-15 and December 11-12, 2006

International

- 2016-present **WHO Immunization Practices Advisory Committee (IPAC)**
Chair, 11/2018-11/2021
Member, 7/2016-9/2018
- 2017-present **WHO Programmatic Suitability for Prequalification (PSPQ)**
Committee Member
- 2018-present **Vaccine Innovation Prioritization Strategy (VIPS) Steering**
Committee
Gavi-led Alliance working group including WHO, Gates
Foundation, UNICEF and PATH
- 2019-present **WHO Total System Effectiveness (TSE) Steering Committee**
- 2018-2019 **WHO Independent Expert Advisory Group, Healthcare Worker**
Influenza Vaccine Introduction Manual
- 2017 **IAIM Regional Meeting for the Americas and Europe** Sponsored
participant, Madrid, Spain, February 1-3
- 2015 **World Health Organization (WHO) Pharmaceutical Cold Chain**
Management on Wheels Course. Invited, sponsored participant,
Izmir to Antalya, Turkey, June 8-13
- 2015 **International Association of Immunization Managers (IAIM)**
Inaugural Global Conference: Speaker, sponsored participant.
Istanbul, Turkey, March 3-5
- 2014 **IAIM Peer-to-Peer Program Travel Grant Award,** hosted by
Albanian National Immunization Program Director, Dr. Silvia Bino,
Tirana, Albania.
- 2013 **Options for the Control of Influenza VIII**
Participant, sponsored by AIM. Cape Town, SA, September 5-10
- 2007 **Options for the Control of Influenza VI**
Participant, Toronto, Ontario, Canada, June 17-23
- 2003 **Smoking Cessation Training Workshop**
Speaker, exercise developer, American International Health

Alliance/ CDC Partnership
Moscow, Russia

2001 **Epidemic Intelligence Service (EIS) Hospital Outbreak**
Cairo, Egypt. Lead investigator.

ACADEMIC AND PROFESSIONAL DISTINCTIONS

Academic

2000 **Alpha Omega Alpha Honor Medical Society**

1994 **Phi Beta Kappa Honor Society**

1994 **Vanderbilt University Traveling Fellowship**

U.S. Public Health Service

2003 **Outstanding Unit Citation and CDC Honor Certificate**
U.S. Public Health Service: Enhanced Terrorism Surveillance

Commissioned Officer Training Ribbon
U.S. Public Health Service: Completion of Officer Training

2001 **Outstanding Unit Citation**
U.S. Public Health Service: Response to Anthrax Release

Crisis Service Unit Award
U.S. Public Health Service: Bioterrorism Surveillance, NYC

Crisis Service Unit Award
U.S. Public Health Service: Response to Anthrax Release

Immunization Program Management

2018 **American Immunization Registry Association (AIRA) Honorable
Mention for Excellence in Data Quality Improvement** awarded to
the TennIIS Team

2017 **AIM Bull's Eye Award for Innovation and Excellence in**

- Immunization** (TIP Lead)
3-Star Report Continuous Quality Improvement Tool for
Decreasing Missed Opportunities in Preteen Immunization
- 2013 **AIM Bull's Eye Award for Innovation and Excellence in
Immunization** (TIP Team Project Lead)
Creation of Immunization Certificate Validation Tool in the State
Immunization Information System
- 2012 **Natalie J. Smith, MD, Memorial Award**
Association of Immunization Managers, Outstanding
Immunization Program Manager
- 2010 **National Influenza Vaccine Summit Honorable Mention (2nd
place) – Overall Influenza Season Activities**
Tennessee pH1N1 Vaccine Distribution Team Lead
- 2010 **Woman of Influence, Behind the Scenes**
Nashville Business Journal
- 2010 **Friend of Children Award**
Tennessee Chapter of the American Academy of Pediatrics
- 2009 **AIM Bull's Eye Award for Innovation and Excellence in
Immunization** (TIP Team Project Lead)
Pandemic H1N1 Vaccine Provider Pre-Registration Program

MANUSCRIPT REVIEWER

- 2001-present (ad hoc) *Emerging Infectious Diseases*
Nicotine and Tobacco Research
American Journal of Public Health
Infection Control and Hospital Epidemiology
Journal of the American Medical Association
Vaccine

VOLUNTEER ACTIVITIES

- 2012-2018 **Director, Siloam Health**
Faith-based, non-profit clinic serving the uninsured, primarily
immigrants and refugees, Nashville, Tennessee.

Clinical Services Subcommittee (2012-present; Chair, 2014-2015)

2000, 2002, 2005

Volunteer Physician

Mayfair Church Medical Mission Team
San Antonio, Toledo District, Belize

1996

Volunteer Medical Training

Child in Need Institute of Calcutta, India, and Kathmandu, Nepal

PROFESSIONAL SOCIETIES

- American College of Preventive Medicine
- Council of State and Territorial Epidemiologists
- Association of Immunization Managers (2004-2018)
- International Association of Immunization Managers
- Tennessee Public Health Association
- Breakfast Club of Nashville (BCON): professional association for businesswomen

MANAGEMENT EXPERIENCE

As Director of the TDH Immunization Program:

- Principle Investigator on the CDC Immunizations and VFC Cooperative Agreement, with operating budget >\$6 million, oversight of operations and strategic planning
- Responsible for ~\$100 million in federal vaccines through the VFC entitlement program administered through more than 600 volunteer partner clinics statewide
- Established new state positions and expanded program from 7 state FTEs to 31 state FTEs, including 7 epidemiologists, 6 nurses

As a Director of Siloam Health:

- Fiduciary responsibility for Siloam Health, providing leadership, financial accountability, fundraising support, and strategic planning

MEDIA EXPERIENCE

Extensive media and crisis/emergency risk communication training and experience since 2001 on public health, anthrax, influenza, pandemic preparedness, vaccine-preventable disease and immunization, with 10-20 interviews annually 2004-2018. Experience includes live and recorded television and radio interviews, live call-in television shows, local and national print media interviews and a minimum of 5 press releases annually for the TDH from 2004-2018.
