

WORK IN PROGRESS SERIES: SPRING SEMESTER 2021

DATE	PRESENTER	TITLE
1/5/2021	T.A. McDonald, PhD	Understanding facilitators and barriers for informed consent for including individuals with intellectual and developmental disabilities in health-related research.
1/12/2021	Scott Lee, MD	Could Fish Oil be a “Patience Pill”? Evaluating the Impact of Omega-3 Fatty Acids on Present Bias
1/19/2021	Wade Brown, MD	FΔr in the Clinical Medical Education ΔΔ Gap: Lessons Not Well Learned
1/26/2021	Robert Greevy Jr., PhD	Biostatistics: Take Type I Error Too Far: inconclusive studies and Bonferroni madness
2/2/2021	Dan Tilden, MD	If They Aren’t ‘Small Adults’ Then What Are They? Developing System to Optimize Care for Emerging Adults
2/9/2021	Morgan Clouse-Johnson, DNP, APRN, FNP-BC	Implementation of Annie Text Messaging to Reduce Veteran No-Show Rates
2/16/2021	Wali Johnson, MD	Increasing Access to the Transplant Wait List in Tennessee
2/23/2021	Robert Greevy Jr.,	Biostatistics: What to do Instead of a Bonferroni Correction: and why
3/2/2021	Leanne Boehm, PhD, RN, ACNS-BS	Telehealth-Enhanced Patient-Oriented Recovery Trajectories after ICU
3/9/2021	Allison Carroll, MD	A Health Literacy-Informed Communication Intervention to Reduce Discharge Medication Dosing Errors in Hospitalized Children
3/16/2021	NO SEMINAR	
3/23/2021	Robert Greevy Jr., PhD	When You See Your Randomization Going Wrong: monitoring and intervening on covariate balance in RCTs

3/30/2021	Alvin Jeffrey, PhD, RN-BC, CCRN-K, FNP-BC	Designing and Implementing Clinical Decision Support Tools
4/6/2021	Sophia Kostelanetz, MD, MPH	Deconstructing Race Variables in Clinical Algorithms: next steps
4/13/2021	Laura Ann Rausch, MD	Implementation of Magseed at TVHS: QI in Surgical Breast Cancer Management
4/20/2021	Shannon Markus, MD	"Sociodemographic Characteristics and their Association with SARS-CoV-2 Infection and Disease Severity"
4/27/2021	Robert Greevy Jr.,	Biostatistics: Unmeasured Confounding: causes, consequences, and analyses"
5/4/2021	NO SEMINAR	
5/11/2021	Sarah Welch	"The Age-Friendly Initiative: Outcomes from Vanderbilt's Acute Care for Elders Unit"
5/18/2021	Jennifer Richmond	"Identifying Equitable Approaches to Implement Lung Cancer Screening in the Context of Medical Mistrust"
5/25/2021	Visiting Candidate
