

Earn Contact Hours Online

As part of the Elsevier Clinical Skills subscription, Contact Hours (CE) can be earned for Elsevier Clinical Skills with the letters “CE” after the skill title.

Elsevier is the provider of Contact Hours. Elsevier is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

To earn Contact Hours, learners must self-enroll, read the skill, pass an online test with an 80%, and complete/submit the CE evaluation survey.

Contact Hours awarded are added to a learner transcript and a CE certificate is available to the learner.
