PPE Training:
Powered Air Purifier Respirator Use

1. Perform HAND HYGIENE
   - Don bouffant cap

2. PAPR (Powered Air Purifying Respirator) CHECK
   - Perform PAPR unit safety checks
   - Turn on the PAPR blower
   - Connect the hood to air hose

3. PAPR DONNING
   - Adjust belt to fit the user’s waist.
   - Turn on PAPR device.
   - Don the hood of the PAPR
   - Ensure fit around the forehead & chin

4. GOWN
   - Fully cover torso from neck to knees, arms to end of wrists, and wrap around the back
   - Fasten in back of neck and waist

5. GLOVES
   - Extend to cover wrist of isolation gown

USE SAFE WORK PRACTICES TO PROTECT YOURSELF AND LIMIT THE SPREAD OF CONTAMINATION

- MINIMIZE personnel entering patient room
- CLUSTER care (supplies, tasks, etc)
- THINK critically while following protocols

Adapted from CDC protocol March 18, 2020

HOW TO SAFELY REMOVE or DOFF PERSONAL PROTECTIVE EQUIPMENT (PPE)

1. GOWN AND GLOVES
   - Gown front and sleeves and the outside of gloves are contaminated
   - Untie the gown ties, then grasp the front of the gown and pull away from your body, touching only the outside of gown with gloved hands
   - While removing the gown, roll the gown inside-out into a bundle
   - Peel off your gloves at the same time, only touching the inside of the gloves and gown with your bare hands, discard the gown and gloves into a waste container.

   Perform HAND HYGIENE

2. EXIT ROOM, CLOSE DOOR & PERFORM HAND HYGIENE

3. PAPR Removal
   - Don clean gown outside of PAPR is contaminated
   - Set up donning area (chaps pads on table)
   - Turn off device, unlash belt, and hose and place onto first chaps pad and surface
   - Wipe with a disinfectant wipe, place on clean second chaps pad and allow to dry.
   - Remove hood, wipe with disinfectant wipe and dry

   Perform HAND HYGIENE

4. BOUFFANT CAP & GLOVES
   - Remove bouffant cap
   - Perform hand hygiene
   - Remove gloves

5. Perform HAND HYGIENE by washing hands using soap and water or an alcohol-based hand sanitizer

REMEMBER
- Restretch RCP actions while donning (touching hair, glasses, etc)
- THINK critically while following protocols

Adapted from CDC protocol March 18, 2020
