

ExpeditionTech

WHAT is it?

A VUMC IT multi-year initiative supporting ongoing efforts to create **secure** and **modern technology environments**.

WHY are we doing it?

As a result of ExpeditionTech, workforce members will experience:

- ✓ **Improved flexibility** through real-time collaboration
- ✓ **Easier, more secure access** to systems, applications, & documents
- ✓ **Enhanced productivity** through new, modernized tools

Where are we headed in 2022?

COLLABORATIVE TOOLS	SECURED ACCESS & DEVICES	MODERNIZED WORKSTATIONS
What is changing?		
<ul style="list-style-type: none"> • Complete standardization of OneDrive for Business* as our individual file-sharing, cloud storage, and collaboration solution • Realign department files to SharePoint Online and other collaborative tools 	<ul style="list-style-type: none"> • Move our application and device management tools to one platform, leveraging Microsoft Services: <ul style="list-style-type: none"> - All Corporate Devices migrated out of Workspace ONE - Bring all existing vumc.io groups under Enterprise Group management - Applications migrated to Microsoft authentication method - Implement plan to support apps with both VU and VUMC users 	<ul style="list-style-type: none"> • Modernize all workstations to support technology in new environment: <ul style="list-style-type: none"> - Life-cycle administrative workstations (AWS) - Migrate all clinical workstations (CWS) - New kiosks built in new environment - All Windows 7 machines life-cycled to Windows 10
Who will be impacted?		
<ul style="list-style-type: none"> • All workforce members 	<ul style="list-style-type: none"> • Anyone who uses identified applications • Anyone who uses Mobile Heartbeat (e.g., MH-Cure) and/or Power Mic on a personal device must enroll in Microsoft MDM 	<ul style="list-style-type: none"> • Ultimately all workstations will be modernized, with an initial focus on new hire workstations and replacement workstations.
What's next?		

Throughout 2022, you can expect to receive VUMC IT support to guide you through these changes, along with regular updates tailored to your specific department or group.
