

New Login Experience for VUMC Issued Computers

Starting **September 8**, *The Learning Exchange* will require new login credentials.

Upon your next login

When visiting [The Learning Exchange](#) sign in page after the cutover date – workforce members may see an updated sign in experience and may need to sign-in using their **email address** and **password** rather than their VUMC ID and password.

Reason for the change

In February 2022, ExpeditionTech [announced](#) the start of its multi-year migration of VUMC applications and their related components from directories shared with Vanderbilt University to the VUMC directory. The effort includes; servers, databases, security groups, resource accounts, file shares. *The Learning Exchange* is next in sequence.
