

IMMUNOLOGY JOURNAL CLUB

Fall 2019

Fridays, Room A-4224 MCN 12:00pm-1:00pm

Coordinators: Liz Roelofsz and Louise A. Rollins-Smith, Ph.D.

Description: The Immunology Journal Club has a long and rich history, dating back over thirty years. Students, faculty, and postdocs share their insights together during discussions about all aspects of immunology, from the molecule to the host. We all hope to gain a greater understanding of how the immune system functions in health and disease.

Note to Scheduled Speakers: If a situation arises that prevents you from speaking when scheduled, please swap dates with someone else and email Louise Rollins-Smith at louise.rollins-smith@Vanderbilt.edu, and Liz Roelofsz at elizabeth.j.roelofsz@vumc.org, with the changes.
