

Directions to the Main Clinical Research Center (CRC) at Vanderbilt University Medical Center

Drop off address: 2209 Garland Avenue, Nashville, TN 37212

Free self-parking or free valet address: 1210 Medical Center Drive, Nashville, TN 37212

Directions:

If being dropped off: Enter the Medical Center North: Round Wing Patient Unit Entrance. You will be screened to enter the facility at this entrance. Just past the screening station, go to the left to the Main CRC Front Desk. You can now check in at the Main CRC front desk at the end of the hall for your study appointment.

If self-parking or using valet:

1. Park in the East Garage. Free self-parking or free valet is available (go to Level 1 of the East Garage for valet).
2. After parking, exit to the Ground Level and cross the street towards the Vanderbilt University Hospital. To the right of the Vanderbilt University Hospital Main Entrance, there is a building with a brown awning in the front labeled Medical Center North.
3. Walk up the sidewalk between the Vanderbilt University Hospital Main Entrance and Medical Center North toward the back of Medical Center North.
4. Take a right in front of Eskind Library and cross the street to the Medical Center North: Round Wing Patient Unit Entrance. You will be screened to enter the facility at this entrance. Just past the screening station, go to the left to the Main CRC. You can now check in at the Main CRC front desk at the end of the hall for your study appointment.

Please call the Main CRC at (615) 322-2312 if you have any trouble locating the facility or need assistance.
