

# a little bit up

## Tip for Parents:

Notice how your child moves and sing lyrics to match their movements!

## Skills Targeted:

- Small and large body movements and gestures
- Listening and following directions
- Creativity in ways to move

## Dialogic Questions:

- How should we move during this song?
- What movement is [child name] doing?
- What songs do you like to dance or move to?

## Other Activities:

- Act out the song with stuffed animals
- Take turns coming up with movements and gestures to follow
