

VUMC purchases for **Amazon Gift Cards** are purchased through **Amazon's Incentives Program**. The guide below includes instructions for setting up your Amazon Incentives account as well as how to complete the purchase in Amazon.

## Set Up Amazon Incentives Account

Amazon Incentives requires you set up individual Amazon Incentive accounts to purchase gift cards.

Use the [Account Registration Link](#) to set up your account.

Accounts should reflect the following organization and address information:

1. Company Name: **VUMC**
2. Company website: **VUMC.org**
3. Industry: **Healthcare**
4. Company Address: **60 Athletes Way N**  
**Mt. Juliet, TN 37122**
5. **How much spending:** select from list
6. **How plan to use:** select from list
7. Check the box to **Agree**.
8. Click **Continue** to create your account.

The form is a step-by-step guide for creating an Amazon Incentives account. It includes fields for first name, last name, job title, work email address, phone number, company name, company website, industry, legal address, spending plan, use plan, and agreement to terms. Step 8 is a yellow button labeled 'Continue to Create Account'.

## Purchasing Gift Cards

1. Log into your Incentives account and **populate your cart**.
2. Select **Proceed to Checkout** to continue the checkout process.
3. Choose a shipping address.

➤ **Physical gift cards should be shipped to VUMC recognized business addresses ONLY**

➤ Digital purchases do not require submission of a shipping address and will skip this step.

4. Continue by selecting **Pay with credit card** as your payment method. Enter your PCard number.
5. Review your cart and place your order.
