VUMC SCM Extract Locations Report

When creating a requisition in Workday, the Deliver-To and Ship-To locations must be related to each other within the location hierarchy. The **VUMC SCM Extract Location** report will assist users to find which Deliver-To addresses are related to their Ship-To address. This guide will outline how to run and filter this report in Workday.

Run the VUMC SCM Extract Locations report

From your Workday homepage:

- 1. Search for VUMC SCM Extract Locations and select the Report.
- 2. Select Ship To from the Location Usages menu.
- 3. Select OK.

4. Ship-To locations display in the Location column on the report.

5. Related Deliver-To locations will display within each Ship-To location listed. Click + **More** to view any additional address for a location
