ADULT ACUTE CARE MEDICINE: Acute Care

If viewing electronically,
click on unit for more
information.

Units located on Main Nashville
VUMC Campus at Vanderbilt
University Adult Hospital or
Medical Center North
("Round Wing")
1211 Medical Center Dr
Nashville, TN 37232

Care for individuals aged 65 and older, with complex conditions, including:

- cognitive impairment
- loss of mobility
- varied medical, surgical, cardiac, and neurological conditions

ACUTE CARE OF THE ELDERLY (ACE) 7 Round Wing

Care for individuals with complex conditions, including:

- respiratory
- gastrointestinal
- renal
- neurological
- psychiatric
- cardiac
- infectious diseases

ADULT ACUTE MEDICINE 4 Round Wing

Care of adult patients with a variety of medical conditions and complex social stressors, focusing on:

- high risk for recurrent health issues
- interdisciplinary approach
- reducing the use of emergency rooms for routine care

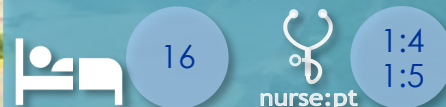

FAMILIAR FACES MEDICINE 3 Round Wing

Care for individuals with complex conditions, including:

- respiratory
- gastrointestinal
- renal
- neurological
- psychiatric
- cardiac
- infectious diseases

ADULT ACUTE MEDICINE 6 Round Wing

Care for adult observation patients with complex medical conditions, including:

- respiratory
- gastrointestinal
- renal
- neurological
- psychiatric
- cardiac
- infectious diseases

MEDICINE OBSERVATION 7 South VUAH

ADULT ACUTE CARE MEDICINE: Stepdown

If viewing electronically,
click on unit for more
information.

Units located on Main Nashville
VUMC Campus at Vanderbilt
University Adult Hospital or
Medical Center North
("Round Wing")
1211 Medical Center Dr
Nashville, TN 37232

Care for individuals with complex conditions, including:

- advanced lung disease
- pulmonary medicine
- thoracic surgery
- general medicine

ADULT PULMONARY MEDICINE STEPDOWN

8 North VUAH

 29  nurse:pt  1:3
1:4

Care for admitted and lower acuity ER patients with complex conditions, including:

- respiratory
- gastrointestinal
- renal
- neurological
- psychiatric
- cardiac, cardiac monitoring
- infectious diseases

ED C-POD

1st Floor TVC

 33  nurse:pt  1:3
1:4

Care for individuals with complex conditions, including:

- respiratory
- gastrointestinal
- renal
- neurological
- psychiatric
- cardiac
- infectious diseases
- insulin drips

MEDICINE STEPDOWN

8 Medical Center East

 37  nurse:pt  1:4

Care for admitted patients and lower acuity ER patients with complex conditions, including:

- respiratory
- gastrointestinal
- renal
- neurological
- psychiatric
- cardiac/cardiac monitoring
- infectious diseases

TRANSITIONAL CARE UNIT (TCU)

1st Floor TVC

 33  nurse:pt  1:3
1:4

Care for patients nearing the end of life with a focus on holistic care, including:

- symptom management
- life goals
- plans of care that value the patient, families wishes, and culture

PALLIATIVE CARE/ MEDICINE

5 Round Wing

 16  nurse:pt  1:4

ADULT ACUTE CARE SURGERY

If viewing electronically, click on unit for more information.

Units located on Main Nashville VUMC Campus at Vanderbilt University Adult Hospital
1211 Medical Center Dr
Nashville, TN 37232

Post-operative care of patients who may require cardiac monitoring and frequent intervention at a stepdown level, including:

- thoracic surgery
- surgical oncology, oncology
- emergency general surgery
- lung transplant
- plastics
- bariatrics
- colorectal surgery

SURGICAL STEPDOWN

9 North VUAH

27 nurse:pt 1:3 1:4

Care of patients requiring post-operative care for surgical procedures, including:

- urology
- GYN surgery
- colorectal surgery
- other surgical services

SURGICAL SPECIALTIES

9 South VUAH

22 nurse:pt 1:4 1:6

Post-operative care, including:

- total joint replacement
- bone and soft tissue tumor resections
- ortho trauma care for traumatic injuries
- surgical weight loss

ORTHOAEDIC/ ORTHOPAEDIC TRAUMA

7 Critical Care Tower (7T3)

35 nurse:pt 1:4 1:5

Traumatic injuries involving multiple body systems care, including:

- trauma rehabilitation
- traumatic brain injury
- accidental trauma injuries

TRAUMA STEPDOWN

10 South VUAH

17 nurse:pt 1:3 1:4

Care for patients with disorders of the kidney, liver, pancreas, including:

- end-stage liver/kidney disease
- surgical weight loss
- peritoneal dialysis
- pre- through post transplant of the kidney, liver, pancreas

TRANSPLANT & SURGICAL CARE

6 Medical Center East

37 nurse:pt 1:2 1:4

Care of patients with neurological disorders, including:

- open, closed head injuries
- strokes/seizures
- craniotomies
- epilepsy monitoring
- encephalopathy
- Parkinson's disease
- Multiple Sclerosis
- meningitis

NEUROLOGY/ EPILEPSY

6 North VUAH

27 nurse:pt 1:4 1:5

Care of patients with spinal conditions, including:

- spinal disorders requiring surgical and non-surgical treatments

ORTHO/ SPINE

6 South VUAH

20 nurse:pt 1:4 1:5

ADULT CARDIAC STEPDOWN

If viewing electronically,
click on unit for more
information.

Units located on Main Nashville
VUMC Campus at Vanderbilt
University Adult Hospital
1211 Medical Center Dr
Nashville, TN 37232

Cardiovascular care,
including:

- pre- and post-open heart surgery
- valve repair & replacement
- heart failure
- heart transplant
- myocardial infarction
- heart arrhythmias
- ventilator and pulmonary artery catheter support

CARDIOVASCULAR PROGRESSIVE CARE

5 South VUAH

 22  nurse:pt 1:3
1:4

Cardiac care, including:

- ventricular assist devices (VADs)
- heart transplants
- total artificial hearts
- pre- and post-coronary artery bypass and valve surgeries
- advanced heart failure
- chest pain
- heart arrhythmias

VAD & HEART TRANSPLANT

7 Medical Center East (MCE)

 36  nurse:pt 1:3
1:4

Cardiac care, including:

- vascular disorders (such as aneurysms, amputations)
- congestive heart failure
- myocardial infarction
- heart arrhythmias
- pre-op cardiothoracic surgeries

CARDIAC & VASCULAR STEPDOWN

7 North VUAH

 29  nurse:pt 1:3
1:4

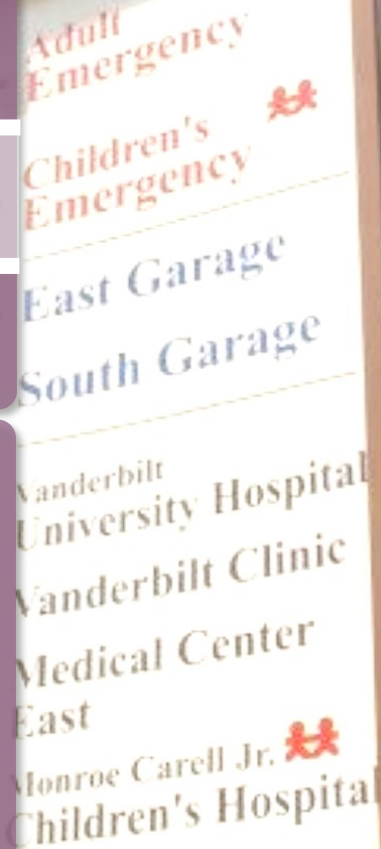

Cardiovascular care,
including:

- pre & post open heart-surgery
- valve repair & replacement
- heart failure
- myocardial infarction
- heart arrhythmias
- chest pain
- pacemaker exchanges

CARDIOLOGY STEPDOWN

8 South VUAH

 24  nurse:pt 1:3
1:4

ADULT CRITICAL CARE (includes PERIOP SERVICES)

If viewing electronically,
click on unit for more
information.

Units located on Main Nashville
VUMC Campus at Vanderbilt
University Adult Hospital or
Medical Center North
("Round Wing")
1211 Medical Center Dr
Nashville, TN 37232

Cardiovascular care,
including:

- pre- and post-vascular, cardiac surgery
- heart failure
- cardiac dysrhythmias
- structural heart disease
- post-cardiac arrest
- ECMO
- heart, lung transplant
- therapy devices

CARDIOVASCULAR INTENSIVE CARE (CVICU) 5 North VUAH

27 nurse:pt 1:1
1:2

Care of patients who have
sustained major trauma to
their body, including:

- head
- neck
- spinal cord
- abdominal
- orthopedic

TRAUMA INTENSIVE CARE (TICU) 10 North VUAH

ICU=8 SD=15 nurse:pt ICU=1:2 SD=1:3-4

Care for critically ill surgical
patients, including:

- multisystem organ dysfunction, failure
- sepsis
- liver transplant recovery
- vascular surgeries

SURGICAL INTENSIVE CARE (SICU) 9 Critical Care Tower

ICU=8 SD=15 nurse:pt ICU=1:2 SD=1:3-4

Level 1 Burn Center providing
adult and pediatric care,
including:

- continuum of care from ICU to stepdown, through discharge
- thermal/chemical/electrical burns
- frostbite, hypothermia
- dermatological conditions
- reconstructive surgery

VUMC REGIONAL BURN CENTER (BURN) 11 South VUAH

ICU=8 SD=15 nurse:pt ICU=1:2 SD=1:3-4

Care for critically ill medical
patients, including:

- acute respiratory failure
- Acute Respiratory Distress Syndrome (ARDS)
- multisystem organ failure
- sepsis
- drug overdoses
- gastrointestinal bleeds
- diabetic ketoacidosis
- advanced treatment modalities: CRRT and ECMO

MEDICAL INTENSIVE CARE (MICU) 8 Critical Care Tower

35 nurse:pt 1:1
1:2

Care for patients with neuro
disorders, including:

- seizures, spinal cord injury, acute ischemic, hemorrhagic stroke
- subdural/epidural hematoma
- subarachnoid hemorrhage
- Guillain-Barré syndrome
- Myasthenia Gravis exacerbation
- meningitis, encephalitis

NEUROLOGY/NEUROSURGERY INTENSIVE CARE (NIC) 6 Critical Care Tower

ICU=23 SD=12 nurse:pt 1:2
1:3

Care of patients in
emergency situations.

Level 1 Trauma & Burn Center:

- comprehensive stroke and chest pain center
- regional referral center

ADULT EMERGENCY DEPARTMENT (ED) 1st Floor VUAH

45-92 nurse:pt 1:4

Abbreviations used:

ICU = Intensive Care Unit

SD = Stepdown

HR = Holding Room

ADULT CRITICAL CARE (includes PERIOP SERVICES)

If viewing electronically, click on unit for more information.

Units located on Main Nashville VUMC Campus at Vanderbilt University Adult Hospital or Medical Center North ("Round Wing")
1211 Medical Center Dr
Nashville, TN 37232

Care of patients after elective or emergent surgical procedures, including:

- recovery from anesthesia
- vital signs monitoring
- pain control regimen
- transfusion of blood products

HOLDING ROOM/ PACU 3rd Floor VUAH

HR=23
PACU=39 Bays
 nurse:pt
 HR=1:4
PACU=1:2

Patients requiring surgery, including:

- traumatic extremity/pelvic fractures
- total joint replacements
- bone cancers/tumor resection
- hand and upper extremity
- limb loss
- spinal deformities/tumors fractures

PERIOPERATIVE ORTHOPAEDICS 3rd Floor VUAH

7-8
 nurse:pt
 1:1

Patient care, including:

- tumor neurosurgery
- functional neurosurgery
- vascular neurosurgery
- spine neurosurgery

PERIOPERATIVE NEUROSURGERY 3rd Floor VUAH

7-8
 nurse:pt
 1:1

Care of patients, including:

- liver transplant, hepatobiliary
- kidney, pancreas transplant
- general surgery
- pancreatic procedures
- oncology surgeries
- burns debridement, skin grafting

TRANSPLANT, GENERAL SURGERY, GENERAL ONCOLOGY, RENAL, HEPATOBILIARY, BURN SURGERY 3rd Floor VUAH

7-8
 nurse:pt
 1:1

Care of patients needing cardiothoracic and vascular care, including:

- CTWOR
- coronary artery disease
- heart failure
- lung disease
- peripheral vascular

CARDIOTHORACIC & VASCULAR SURGERY 3rd Floor VUAH

7
 nurse:pt
 1:1

Care of patients, including:

Urology

- surgery for urologic cancers

Robotics

- urology
- thoracic
- general surgery
- general oncology
- gynecology
- renal (kidney donation)

UROLOGY AND ROBOTICS SURGERY 3rd Floor VUAH

7-8
 nurse:pt
 1:1

Abbreviations used:

ICU = Intensive Care Unit

SD = Stepdown

HR = Holding Room

ADULT ONCOLOGY

If viewing electronically,
click on unit for more
information.

Units located on Main Nashville
VUMC Campus at Vanderbilt
University Adult Hospital
1211 Medical Center Dr
Nashville, TN 37232

Care for patients with benign
and malignant hematologic
malignancies, including:

- solid tumors
- leukemia
- lymphoma
- sickle cell anemia
- oncologic symptom
management

**HEMATOLOGY/
ONCOLOGY**
11 North VUH

27

nurse:pt

1:3-5

Hematology/oncology
progressive care, including:

- benign and malignant
hematologic malignancies
- myelosuppression/stem cell
transplant
- oncologic tumor symptom
management
- stem cell, adoptive cellular
therapies
- Phase 1, 2 and 3 research

**MYELOSUPPRESSION/
STEM CELL TRANSPLANT**
10 Critical Care Tower

35

nurse:pt

1:2-4

FRANCES WILLIAMS PRESTON BUILDING

nurse:pt

1:3-6

PEDIATRIC ACUTE CARE

If viewing electronically,
click on unit for more
information.

Units located at **Monroe Carell Jr. Children's Hospital at Vanderbilt** on Main Nashville VUMC Campus
2200 Children's Way
Nashville, TN 37232

Hematologic and oncologic care for patients ranging from newborns to 24 years, including:

- benign, malignant diagnose
- bone marrow, stem cell transplant
- sickle cell and anemia
- radioactive therapy

PEDIATRIC HEMATOLOGY & ONCOLOGY (PHO)

6th Floor

30

1:3

nurse:pt

Pediatric cardiac care, including:

- medically managed cardiac conditions
- post-operative cardiac surgery
- congenital and acquired heart conditions

PEDIATRIC CARDIOLOGY (PCARD)

10th Floor

19

1:3
1:4

nurse:pt

Pediatric medicine care for patients from birth to adolescents, including:

- epilepsy monitoring
- Neonatal Abstinence Syndrome (NAS)
- peritoneal dialysis

PEDIATRIC MEDICINE ACUTE CARE (PMAC)

7th Floor

42

1:4

nurse:pt

Infant to adolescent care, including:

- spinal fusions
- cystic fibrosis
- transplants
- orthopedic procedures
- neurosurgery
- cleft palates
- eating disorders
- behavioral health
- feeding disorders

PEDIATRIC SURGERY, TRAUMA, ADOLESCENT MEDICINE (PSTAM)

8th Floor

43

1:4

nurse:pt

PEDIATRIC CRITICAL CARE

If viewing electronically,
click on unit for more
information.

Units located at **Monroe Carell Jr. Children's Hospital at Vanderbilt** on Main Nashville VUMC Campus
2200 Children's Way
Nashville, TN 37232

Pediatric Level 1 Trauma Center & Comprehensive Regional Pediatric Center. Care of patients from birth to 18 years of age, including:

- emergency medical care
- trauma resuscitation
- urgent care
- STAT responses within hospital and surrounding 250 yards

PEDIATRIC EMERGENCY DEPARTMENT

1st Floor

 42+  varies
nurse:pt

Birth to 18+ years of age surgical procedure care, including:

- otolaryngology
- urology, renal, liver
- ophthalmology
- neurosurgery
- orthopedics
- craniofacial reconstruction
- plastics
- transplant

CHILDREN'S PERIOPERATIVE SERVICES

3rd Floor

 16 OR's  1:1
nurse:pt

Care of patients from birth to 18 years of age requiring pre-procedure and post-anesthesia care, including:

- simple to complex surgical procedures
- inpatient and outpatient

PEDIATRIC HOLDING ROOM/ POST-ANESTHESIA CARE UNIT (PEDI HR/PACU)

3rd Floor

 HR=22
PACU=26  HR=1:4
PACU=1:2
nurse:pt

Level IV, regional NICU providing care to critically ill neonates.

NEONATAL INTENSIVE CARE UNIT (NICU)

4th Floor

 119  1:2
nurse:pt

Care of patients birth to 18 years with cardiac diagnoses, including:

- heart defects
- acquired heart disease
- surgically repaired or medically managed congenital heart diseases

PEDIATRIC CARDIAC INTENSIVE CARE (PCICU)

10th Floor

 19-23  1:1
1:2
nurse:pt

Critical care of patients birth to 18 years of age with various medical and surgical conditions, including:

- Level 1 trauma
- respiratory
- burn
- transplant
- cardiovascular
- oncology
- neurology, neurosurgical

PEDIATRIC INTENSIVE CARE UNIT (PICU)

5th Floor

 31  1:1
1:2
nurse:pt

BEHAVIORAL HEALTH

If viewing electronically,
click on unit for more
information.

1:6

AMBULATORY (outpatient)

If viewing electronically,
click on unit for more
information.

Ambulatory areas located at
VUMC Main Campus
1211 Medical Center Dr
Nashville, TN 37232
or
Vanderbilt Health 100 Oaks
719 Thompson Lane
Nashville, TN 37204

Patient care for full-spectrum heart conditions, including:

- aortic disease
- arrhythmias
- congenital heart defects
- coronary heart disease
- myocardial infarction
- heart failure
- heart valve diseases
- hypertension
- vascular conditions, diseases
- heart, vascular treatments
- diagnostic services

VANDERBILT HEART & VASCULAR INSTITUTE (VHVI)

Patient care for full-spectrum cancer conditions, including:

- chemotherapy, infusion
- radiology oncology
- stem cell transplant
- hematology
- outpatient treatment
- cancer clinic
- cancer lab
- breast center and Infusion
- medical/surgical oncology

VANDERBILT INGRAM CANCER CENTER (VICC)

Patient care for digestive disease conditions, including:

- gastroenterology
diagnostics, therapies
- upper gastrointestinal
endoscopy, related
procedures
- Endoscopic Retrograde
Cholangiopancreatography
(ERCP)
- Perioral Endoscopic
Myotomy (POEM)
- small bowel enterostomy
- colonoscopy

DIGESTIVE DISEASES

Patient care, including:

- annual wellness visits,
vaccinations
- chronic disease
management
- acute care not requiring
hospitalization
- continuum of care to avoid
hospitalization
- care coordination
- phone triage
- medication management

AMBULATORY PRIMARY CARE

Patients requiring surgical care,
including:

- trauma
- colorectal
- burn
- general surgery
- achalasia
- adrenal mass
- Barrett Esophagus
- Cushing's Syndrome
- Addison's Disease
- anorectal abscess
- biliary colic
- duodenal polyp

SURGICAL SERVICES

Patient care areas, including:

- primary care
- neurology
- cardiology
- surgical services
- urology
- oncology
