

## Acknowledgements

I am honored to be taking this second Magnet Designation Journey with you as part of Vanderbilt Nursing. A journey that is possible only because of the culture you have helped create.

To those of you, too numerous to mention, who worked tirelessly to put our story together, I am indebted.

To our colleagues throughout the Medical Center who support Vanderbilt Nursing on a daily basis, I am honored to work with you.

To our patients and their families who entrust us with their care, we thank you for allowing us to be a part of your lives.

And finally, to each nurse who practices nursing at Vanderbilt, thank you for your many contributions to our Magnet culture.
