

## VUMC Limited Submission Opportunity

### First Horizon Foundation Grants for Good

**VUMC:** *These instructions are for VUMC investigators. VU investigators should apply through [InfoReady](#) and address any questions to [VU-LSO@vanderbilt.edu](mailto:VU-LSO@vanderbilt.edu).*

#### **Applications due April 19, 2024**

VUMC may submit **1 application** to the [First Horizon Grants for Good campaign](#).

To honor First Horizon's 160<sup>th</sup> anniversary, celebrate the company's ongoing strength and stability, and reiterate their commitment to the communities they serve, First Horizon is awarding \$10,000 grants to eligible organizations.

An organization's submission must highlight how support from the First Horizon Foundation will strengthen our communities through programs and services provided by the organization.

Areas of impact include but are not limited to:

- Community health and wellness
  - Healthcare services
  - Food service, food pantry
  - Educational programs
  - Social determinants of health

Grant recipients will be selected based on the following criteria:

- Compelling story of the impact the organization is making in the community and how First Horizon's support will enhance that impact
- Creativity and originality
- Motivation and inspiration
- Overall measurable community impact

See the [program website](#) for more details.

#### **Internal Application Process**

Anyone interested in being considered to submit one of VUMC's proposals must submit the following (in a single PDF) to [jenny.alexander@vumc.org](mailto:jenny.alexander@vumc.org) by **5 p.m. on April 19, 2024**:

- 1) Brief (2 page maximum) project summary, including how support from First Horizon will strengthen the community through the programs and services being provided.

Any questions about this opportunity may be directed to [jenny.alexander@vumc.org](mailto:jenny.alexander@vumc.org).
