

VUMC Core Managers Meeting

VUMC Office of Research

July 18, 2016

Agenda

- VUMC-VU Transition Updates
- External Customer Billing
- VU Customer Billing
- iLab Solutions Launch and Timeline

VUMC-VU Transition Updates

- VUMC and VU Legal Separation effective April 30, 2016
- All core facilities remain open and accessible to use by faculty in all schools, colleges and departments across VU, and VUMC.
- VU Customers now considered external users of VUMC Core Groups

VUMC-VU Transition Updates

- VU faculty **will not pay** the 10% fee on VUMC core charges.
 - For VU faculty who use VUMC cores, the Provost's Office will pay any 10% administrative fee associated with core charges.
- VUMC faculty **will not pay** the 10% fee on VU core charges.
 - For VUMC faculty who use VU cores, the Office of Research will pay any 10% administrative fee associated with core charges.

VUMC-VU Transition Updates

- Updated information and resources are also found on the following website:
 - VUMC Office of Research:
<https://medschool.vanderbilt.edu/oor/CORES-update>

The list is posted on our
CORES FAQ page:

<https://medschool.vanderbilt.edu/oor/CORES-update>

Core Application Guide	
VU C.O.R.E.S.	VUMC C.O.R.E.S.
<i>Effective January 1, 2016</i>	<i>Effective January 1, 2016</i>

ACCRE	Analytical Resource
BRET Poster Printing Service	BCC
CDB Equipment Core	BioVU
Cell Imaging Shared Resource	Cardiovascular Translational Research
Center for Innovative Technology - Agilent MS	Cell Culture Supplies
Center for Innovative Technology - Arrayscan Microscope	CFAR-Clinical Discovery Core
Center for Innovative Technology - Data Analysis	CHTN
Center for Innovative Technology - General	Clinical Trails Radiology Support Core
Center for Innovative Technology - Instrument Training	Clinical Trials Center
Center for Innovative Technology - MALDI	Clinical Trials Shared Resource (CTSR)
Center for Innovative Technology - Waters SYNAPT	CRC Adult Facilitates Core
Creative Data Solutions	CRC Cardiovascular Imaging Core
CSB Biophysical Instrumentation Core Facility	CRC Metabolic Core
CSB Computational Structural and Chemical Biology	CRC Nutrition Research Core
CSB Computing Service Center	CRC Pediatric Facilities Core
CSB Mega Lab Core Facility	CRISS
CSB NMR Core	CTSR Clinical Processing
DORS - Research Data Storage	Data Coordinating Center
Mass Spectrometry Research Core (MSRC)	DHSR
MSRC - Proteomics Laboratory	Diet, Body Composition, and Human Metabolism Core
MSRC - Tissue Imaging & Biofluids Laboratory	Division of Animal Care
Mouse Metabolic Phenotyping Center (MMPC)	Eicosanoid Fed Core
RER/ISDE Experimental Facilities	Energy Balance Core
VBI Instrument Core	Epi-Biospecimen
VBI Mouse Neurobehavior Core Lab	Epi-Survey Research
VBINeurochemistry Core	Flow Cytometry
VBI Rat Neurobehavior Core	FRIM Core
VCSCB - Transgenic Mouse Core	Hormone Assay
VCSCB Shared Equipment Facility	HRPP
VICB - Antibody & Protein Core (VAPR)	HSR Core
VICB Chemical Synthesis Core	IDASC
VICB Compound Management	IDS
VICB High Content Imaging & Functional Genomics	IDS Green Hills
VICB High Throughput Screening Facility (HTS)	IDS-OHO
VICB Informatics	IDS-Oncology
VICB Small Molecule NMR Facility	Immunology Core
VIIBRE Automated Biosystems Core	Islet Procurement
VIIBRE Microfabrication Core	ITR
VINSE XPS Center	Kennedy Ctr Service
VINSE Cleanroom	Lipid and Lipoprotein Core
VINSE EBL	MCBR Products
VINSE MERLIN SEM Center	MCBR Service
VINSE Nanocrystal Lab	Micro/Immuno flow
VINSE SEM	Preventive Med - Computer Resource
VINSE Osiris TEM	Preventive Med - EIP Server
	Pulmonary IHC
	Rat Metabolic
	Research Phlebotomy Core
	Sleep Research
	Southard-Smith EFIC
	TPSR
	VANGARD
	VANTAGE
	VICC Research Informatics
	VOMK Immunohistochemistry
	VOMK Phenotyping Pathophysiology
	VUIIS - Human Imaging
	VUIIS - Radiochemistry
	VUIIS - Small Animal
	Zebrafish Facility

What do you need to know about billing to VU Customers?

- Continue to enter charges into VUMC C.O.R.E.S.
- No additional action is needed to process the VU invoices
- VUMC Office of Research is managing the VU Invoicing process
 - Welcome David Stiles
- VU Revenue and Accounts Receivable Posting Timelines
 - AR is reversed the next billing cycle when payment is received

Reminder & Clarification

- Non-VUMC and Non-VU Customers will continue to incur a markup over base price
- Administrative Cost Recovery Markup Rates
 - External Academic/ Non-Profit Users – 10%
 - External For-Profit/ Foreign Users – 60%

iLab Transition Updates

- Application launch date pending
- Challenges include:
 - VUIT Authentication Protocols
 - Pending iLab Feature Development
- Go-Live date will be announced along with an implementation plan when finalized.
- Thank you for your patience during this system transition!!!

iLab and C.O.R.E.S. Clinics

- Weekly clinics offered every Thursday
 - 10:00 am to 11:00 am
- Location
 - MCN D-2221
- Walk-in, no reservation necessary.
- All system users welcome.

Questions?
