

**THE VANDERBILT EYE INSTITUTE LECTURE AND CONFERENCE SCHEDULE**

**\*\* AAO Meeting - San Francisco. October 12 - 15, 2019 \*\***

|    | <b>Day</b> | <b>Time</b>   | <b>Preceptor</b>               | <b>Activity</b>                   | <b>Room</b> | <b>Topic</b>   | <b>Hours</b> |
|----|------------|---------------|--------------------------------|-----------------------------------|-------------|--|--------------|
| 1  | T          | 7:00          | Dr. Groth                      | Lecture                           | ECR         | Glaucoma Associated with the Retina/ Vitreous/Choroid/Uveitic                              | 1            |
| 2  | W          | 7:00          | Dr. Joos                       | Lecture                           | ECR         | CIGTS/CNT/EMGT   | 1            |
| 3  | Th         | 7:00          | Retina Fellows                 | Ophthalmic Imaging Conference     | ECR         | Ophthalmic Imaging Conference  | 1            |
| 3  |            | 6:00:00 PM    | Drs. Sternberg/Donahue/Fellows | Journal Club                      | DSH         | Journal Club   | 3            |
| 4  | F          | 7:00          | Ocran/Valenzuela               | Grand Rounds                      | ECR         | GR   | 1            |
| 4  | F          | 12:00 - 16:00 | Residents Retreat PM           | Residents Retreat PM              |             | Residents Retreat PM   | 4            |
| 7  | M          | 7:00          | Dr. Brown                      | Lecture                           | ECR         | Medications & Lasers in Glaucoma   | 1            |
| 8  | T          | 7:00          | Dr. Paul Sternberg             | Quarterly Meeting                 | ECR         | Quarterly Meeting with Residents   | 1            |
| 9  | W          | 7:00          | Dr. Brantley                   | Lecture                           | ECR         | Inherited Retinal Degenerations  | 1            |
| 10 | Th         | 7:00          | Dr. Sternberg                  | Lecture                           | ECR         | Age Related Macular Degeneration: Anchor and Marina trials. Do we still need to know this? | 1            |
| 11 | F          | 7:00          | Allison Umfress/Alex de Castro | Resident Review Conference        | ECR         | Pediatrics RRC   | 2            |
| 14 | M          | 7:00          | Cancelled                      | Lecture                           | ECR         | Lecture  |              |
| 15 | T          | 7:00          | Dr. Penn                       | Lecture                           | ECR         | Retinal Anatomy  | 1            |
| 16 | W          | 7:00          | Dr. Penn                       | Lecture                           | ECR         | Retinal vascular anatomy and where it can go wrong?  | 1            |
| 17 | Th         | 7:00          | Lindsey/Wayman                 | Surgical Case Conference          | ECR         | SCC  | 1            |
| 18 | F          | 7:00          | Retina Faculty                 | Retina Interviews/Case Conference | ECR         | Interviews   | 1            |
|    | F          | 8:00          | Neuro Faculty                  | Neuro-Radiology Conference        | ECR         | Neuro-Radiology Conference   | 1            |
| 21 | M          | 7:00          | Retina Faculty                 | Retina Interviews/Case Conference | ECR         | Interviews   | 1            |
| 22 | T          | 7:00          | Dr. Cherney                    | Lecture                           | ECR         | Other macular disorders  | 1            |
| 23 | W          | 8:00          | Dr. Brantley                   | Lecture                           | ECR         | Retinal Vein Occlusion, arterial occlusions, ocular ischemic syndrome                      | 1            |
| 24 | Th         | 7:00          | Dr. Chaum                      | Lecture                           | ECR         | Diabetic Retinopathy   | 1            |
| 25 | F          | 7:00          | Drs. Wayman/Law/Payne          | Ethics Conference                 | ECR         | Ethics Conference  | 1            |
|    |            | 8:00          | Dr. De la Huerta               | Lecture                           | ECR         | Other Vascular Disorders   | 1            |
| 28 | M          | 7:00          | Dr. De la Huerta               | Lecture                           | ECR         | Retinopathy of Prematurity   | 1            |
| 29 | T          | 7:00          | Retina Fellows                 | Lecture                           | ECR         | Landmark Clinical Trials - Retinal Vein Occlusions   | 1            |
| 30 | W          | 7:00          | Dr. Patel                      | Lecture                           | ECR         | Vitreomacular Tractions & Vitreoretinal Surgery  | 1            |
| 31 | Th         | 7:00          | Dr. Daniels                    | Lecture                           | ECR         | Retinal Tumors   | 1            |
