## PERSONAL STATEMENT

Your personal statement should address your motivation to become an ophthalmic technician, meaningful experiences you have had that will allow you to succeed in the program as well as the profession, how you heard about the program, and your future goals following completion of the program. Your personal statement should not exceed two pages in length.

## ACTIVITY STANDARDS

### ***Physical and Verbal Activity Standards***

An ophthalmic technician must be able to perform a variety of physical movements. Any student admitted to the program must acknowledge his/her ability to carry out the physical standards with or without reasonable accommodations:

- Push, pull or lift 50 pounds routinely and more than 50 pounds occasionally.
- Stand, bend, stoop, kneel, squat or sit and reach for a long period of time.
- Frequent walking, standing and sitting
- Adequately control and manipulate equipment weighing up to 500 pounds on wheels.
- Sufficiently distinguish audible differences including audio signals, patient and co-worker communication and patient conditions.
- Fluently demonstrate English language skills to provide optimum communication with patient and healthcare team members.
- Follow verbal and written instructions to provide optimum care for patients.

### ***Intellectual and Emotional Standards***

An ophthalmic technician must also possess intellectual and emotional qualities that permit adequate care for patients and response to unexpected or emergent situations. Any student admitted into the program must acknowledge his/her ability to demonstrate the following qualities with or without reasonable accommodations:

- Problem solve and interpret data in both routine and emergent situations
- Empathy
- Emotional stability and maturity
- Courtesy and compassion to patients and their families, as well as co-workers
- Adaptability and flexibility to clinical or didactic schedule changes
- Follow protocols and organize data accurately to facilitate management of nuclear medicine studies
- Maintain patient confidentiality

## IMMUNIZATION REQUIREMENTS

Upon acceptance, students must provide written documentation of the following:

- Two (2) negative TB skin tests within the past 12 months with the most recent being within the past three (3) months. If history of a positive skin test is present, a chest x-ray within the past 6 months will be necessary.
- If born on or after January 1, 1957: two (2) live measles vaccinations after the 1st birthday at least one month apart OR MMR vaccination since 1989 OR laboratory evidence of immunity to measles, mumps and rubella
- Laboratory evidence of immunity to varicella (chickenpox) or immunization series
- Hepatitis B immunization (series of 3 injections), immunization series in progress or informed refusal of immunization
- Tetanus/Diphtheria booster within the past 10 years (Routine adult Td boosters and the childhood DTP/DTaP vaccines do not satisfy this requirement)
- Annual influenza vaccine
