

Authorization agreement for the use of the Online Web Library

The Facilities Information Services Library has set up this web site "OWL" as a means of providing a research environment for you and your colleagues. By using the Facilities Information Services Library web site "OWL", you agree to be bound by the terms of this agreement. You must accept the general provisions of this agreement before you may gain access to the system. Specifically, you agree that:

1. You will not intentionally breach host site security, or assist others in doing so. Any "denial of service" attacks, any attempt to breach authentication or security measures, or any unauthorized attempt to gain access to any other account, host or network is prohibited, and will result in immediate service termination, which may be without notice.
2. Vanderbilt agrees that Recipient may use the Drawings for the purposes described herein. In consideration for the provision of said Drawings, Recipient agrees and hereby certifies that said Drawings and any products generated from their use will be used solely by Recipient and its consultants or employees. Recipient further agrees that no other purpose or use of the said Drawings shall be permitted unless Vanderbilt authorizes said use or purpose in writing. Recipient will take necessary and reasonable steps to prevent said drawing and information from being disclosed to unauthorized persons.
3. Recipient hereby agrees that it will not disseminate, sell, disclose or otherwise transfer the said Drawings, nor will it disclose, disseminate, sell or otherwise transfer any by-product, unless authorized in writing by Vanderbilt. Recipient shall be allowed to disclose the information to its employees as necessary to accomplish the purposes and uses granted herein.
4. Recipient understands and agrees that Vanderbilt makes no representation and extends no warranty to it or to anyone else as to the accuracy or completeness of the information contained in the said Drawings, but rather provides said Drawings in an "as is" condition. Recipient agrees to indemnify and hold harmless Vanderbilt from all claims, losses, liabilities, and expenses including reasonable attorney's fees associated with the use of said Drawings.
5. Nothing contained herein shall be considered as granting or implying any right or license to recipient pertaining to the Drawings under any copyrights or other intellectual property right associated therewith, other than as expressly provided herein. Consent to the above terms as indicated by signature below.

Consequences of Violation

Violation of this agreement may result in permanent termination of service, at the sole discretion of Vanderbilt University. Vanderbilt University reserves the right to add, delete, or modify any provision of this policy at anytime.
