

James Woodrow Morgan, M.D.

Professional Experience

Assistant Professor Vanderbilt University Medical Center Department of PM&R	9/1/20-present
Physician , Moonlighting experience at the VA Boston Healthcare System SCI unit	2018-2019

Education / Postdoctoral Training

Fellowship - Spinal Cord Injury Medicine Craig Hospital / University of Colorado School of Medicine, Englewood, CO	2019-2020
Residency - Physical Medicine and Rehabilitation (PM&R) Harvard Medical School / Spaulding Rehabilitation Hospital, Boston, MA	2016-2019
Internship - Preliminary Internal Medicine Ochsner Clinic Foundation, New Orleans, LA	2015-2016
Doctor of Medicine Tulane University School of Medicine, New Orleans, LA	2011-2015
Bachelor of Science in Biology University of Georgia, Athens, GA	2006-2011

Board Certification / Medical Licensure

American Board of Physical Medicine and Rehabilitation Part I: Passed
American Board of Physical Medicine and Rehabilitation Part II: Eligible Sept. 2020
Subspecialty Spinal Cord Injury Medicine: Eligible October 2020

State of Tennessee Medical License #61477, issued 6/21/2020

Awards / Honors

Harvard Medical School / Spaulding Rehabilitation Hospital <ul style="list-style-type: none">Academic Excellence Award	2019
Tulane University School of Medicine <ul style="list-style-type: none">Alpha Omega Alpha Honor Medical SocietyTulane 34 - <i>recognizing exemplary leadership, service and academic excellence</i>Gold Humanism Honor Society	2015 2015 2014
University of Georgia <ul style="list-style-type: none">Phi Beta KappaWho's Who Among Students in American Universities and Colleges	2011 2010

Leadership

Medical Education Committee <i>Assisted in teaching, evaluation, and coordinating schedules for visiting medical students</i>	2017-2019
Journal Club Committee <i>Managed monthly literature review and article selection for analysis at resident didactics</i>	2016-2019

Publications

1. **Morgan JW**, Ferrazzani E, Taylor JA, Vivodtzev I. Augmenting exercise capacity with non-invasive ventilation in high-level spinal cord injury. *J Appl Physiol*. 2018 Mar 1;124(5):1294-1296.
2. Huang D, Slocum C, Silver JK, **Morgan JW**, Goldstein R, Zafonte R, Schneider JC. Functional status predicts acute care readmission in the traumatic spinal cord injury population, *The Journal of Spinal Cord Medicine*. 2019 Jan;42(1):20-31.

Current Research

1. **Morgan JW**, Solinsky R. Buspirone for functional improvement after acute spinal cord injury: a propensity-matched cohort study. *Submitted for publication*
2. **Morgan JW**, Robinson D, Tolchin D. Comparison of pre-recorded vs in-person lectures to assess the efficacy of delivering introductory physical medicine and rehabilitation concepts to medical students. *Preparing for publication*
3. Hayano T, **Morgan JW**, Steere H, Jones S, Babu A, Blauwet C. Developing an Inclusive Training Environment: Accommodations in Physical Medicine and Rehabilitation Residency Training for Residents with Disability. *Preparing for publication*

Presentations

Conference posters

“Augmenting exercise capacity with non-invasive ventilation in high-level spinal cord injury.” Poster Presentation: Academy of Spinal Cord Injury Professionals (ASCIP) annual meeting. New Orleans, LA 2018

Craig Hospital/University of Colorado

University of Colorado PM&R resident SCI lecture series

- “Early acute management following traumatic SCI” 2019
- “Cardiometabolic risk and management following SCI” 2019

Spaulding Rehabilitation Hospital Lectures

Grand Rounds Lecture – “Virtual Reality in Neurorehabilitation” 2018

Resident Didactic lectures

- “Neurogenic bladder management in SCI” 2019
- “Neurostimulants in severe TBI/DOC” 2019
- “Predicting functional outcomes following traumatic SCI” 2018
- “Intro to ISNCSCI and ambulatory prognosis” 2018
- “Anatomy of the spinal cord” 2017
- “Predicting outcomes following traumatic spinal cord injury” 2017
- “Wheelchair Basics” 2017
- “Stroke: epidemiology and anatomy” 2016

MGH Institute of Health Professions

Continuum of care in SCI - Panelist discussion for Graduate Program in Physical Therapy 2018

VA Boston Healthcare System

- “Phrenic nerve evaluation and diaphragm pacing in SCI and ALS” 2019
- Grand Rounds Lecture* – “Cardiovascular dysfunction following SCI” 2016

Professional Memberships

Academy of Spinal Cord Injury Professionals
American Academy of Physical Medicine and Rehabilitation
Association of Academic Physiatrists

Service

Physician volunteer, Rehabilitation Services Volunteer Project (RSVP) Clinic
Interdisciplinary rehabilitation clinic for uninsured individuals with disabilities

2019-2020
