Research Program:

Grants:

Research Enrichment Program for Physiatrists (NIDRR) 1999 – 2001, \$4,000
 Research Scholar
 Burn Database (MCVH Trauma Committee Fund) 2000 – 1 year, \$10,000

Research Associate

A phase IV multicenter, prospective, open label, observational study to evaluate clinical practice patterns of Innohep (tinzaparin sodium) in the treatment of acute venous thrombosis (DuPont Pharmaceuticals) 2001, \$15,000

Research Associate

An Epidemiological Observational Study of Deep Vein Thrombosis (Genecom) 2001 – 1 year, \$10,000, Co-Principal Investigator

Academic Leadership Course, AAP Annual Meeting (AAP) 2002 – 1 year, \$2000

Restoring walking in non-ambulatory children with severe chronic SCI (Craig H. Neilsen Foundation) 2007 – 2-year, Sub-Investigator

Additional Research Experience:

Biomedical Engineering Study Program, Duke University School of Medicine

Preceptor: Bruce J. Leone, M.D., Associate Professor of Anesthesiology

Focus: Effect of cardiopulmonary bypass surgery on myocardial function

September 1993 – May 1994

Double-Blind, Placebo-Controlled, Randomized, Parallel-Group Sequential Design Study to Evaluate Efficacy and Safety of IPX056 Capsules in Subjects with Established Spasticity Resulting from Spinal Cord Injury (IMPAX Laboratories) 2005, Sub-Investigator – (study cancelled by company)

A Phase II Multicenter, Randomized Controlled Study to Evaluate the Safety and Efficacy of Autologous Incubated Macrophages for the Treatment of Patients with Complete Spinal Cord Injuries (Proneuron Biotechnologies) 2005 – 2006 Sub-Investigator – (study cancelled by company)

Panel Expert: Grant Review Studio, Vanderbilt Institute for Clinical and Translational Research (VICTR): Primary Investigator – Amelia Maiga, M.D., M.P.H; K23 grant to NIGMS; Project – “Improving Prognostication for Traumatic Brain Injury”. May 2022

Grant Reviewer: National Institute on Disability, Independent Living and Rehabilitation Research (NIDILRR) Spinal Cord Injury Model Systems Multi-site Collaborative Research Grant Competition. June 14-16, 2022.

1 of 5 national reviewers and the only PM&R and SCIM physician
