

# The Vanderbilt Pre<sup>3</sup> Initiative

Preventing adverse Pregnancy outcomes & Prematurity

## 2<sup>nd</sup> Annual Maternal-Child Health Research Forum

April 23, 2020  
3:00 – 5:00 PM

Langford Auditorium Lobby

### CALL FOR ABSTRACTS

The Vanderbilt Pre<sup>3</sup> Initiative seeks to bring together researchers across Vanderbilt who are interested in improving maternal-child health and reducing the burden of adverse pregnancy outcomes, including prematurity.

We invite current Pre<sup>3</sup> members and non-members to present at the poster session. Students, postdocs, or investigators are welcome. Light refreshments will be served.

Posters/abstracts from recent SMFM, SRI, ASRI etc are welcome. Please submit your abstract to Dr. Jennifer Herington via REDCap by

**April 1, 2020.** Visit <https://redcap.vanderbilt.edu/surveys> and enter the code: **JARLTFJXW.**

There will be a \$200 award for the best trainee abstract.

#### Topics of interest include:

- Developmental origins of adult disease
- Determining diagnostic markers of preterm birth
- Therapeutic development
- Maternal health / Obstetric complications (GDM, preeclampsia, PPH etc)
- Adverse pregnancy outcomes (neonatal morbidities)
- Global health
- Epidemiology
- Implementation science
- Reproductive immunology/infection

**NETWORKING OPPORTUNITY!!!**
