## **HeartCode Complete Renewal Courses**

American Heart Association's blended learning program, HeartCode Complete, allows learners to fully complete their BLS, ACLS, and PALS renewal training at their own pace and without attending a classroom-based course. First, learners complete online modules such as videos, assessment activities, and knowledge checks. Next, skills testing is completed at a manikin cart. The HeartCode Complete manikin carts provide real-time audio and visual feedback during the skills testing. After completing all portions of the course, learners receive an AHA eCard valid for two years.

1

# **Enroll via the Learning Exchange**

Enroll in the course in the Learning Exchange:

- <u>BLS Renewal HeartCode</u> Complete
- <u>ACLS Renewal HeartCode</u> Complete
- PALS Renewal HeartCode Complete

You'll receive an approval or denial email within 1-2 business days of enrollment.

Your enrollment will be denied if you do not expire in the next 90 days or are currently registered/waitlisted for an inperson course.

2

## Complete online portion of the course

Complete the online modules via the Learning Exchange. The online portion is self-paced. You do not have to complete the whole course in one sitting. You can log in and out and continue the course as needed.

Approximate completion times for the online portion are:

BLS: 1 hourACLS: 3 hoursPALS: 4 hours

3

#### Complete skills testing at a manikin cart

Complete skills testing at a manikin cart location.

Log in to the Learning
Exchange on the laptop at the
manikin cart and open your
course. Skills testing is selfdirected and takes
approximately 30 minutes per
course. Skills completed in
each course are:

- BLS: Adult & infant compressions, ventilations, and 2-rescuer CPR
- ACLS: Adult compressions, ventilations, and 2-rescuer CPR
- PALS: Child & infant compressions, ventilations, and 2-rescuer CPR

4

#### Claim eCard

After completion, you'll receive an email from the Learning Exchange with instructions for claiming your eCard and CE/CME credits.

Turn your card into your supervisor so they can update your certification record.
