Pedro Teixeira & Ravi Atreya
Patient First - Transforming the Burden of Charting

Join the conversation #StrategyShare19
This is why we launched PredictionHealth
Saves 2 hours per day

Traditional Documentation

More time to focus on patients

Less computer time

PredictionHealth

2 hours SAVED per day!

- Chart prep
- Chart review
- Physical exam
- Patient interaction w/o computer
- Patient interaction w/ computer
- Post visit documentation & orders
