Full-Time and Part-Time Positions---Primary Care Physician Vanderbilt University Medical Center- VU Student Health Center

Background on Vanderbilt University

Vanderbilt University, founded in 1873, is located in beautiful Nashville, Tennessee. Vanderbilt University is a top-tier private research university, educating some of the brightest and best students in the United States and the world. There are 7,000 undergraduates and 6,500 graduate and professional students. The university comprises 10 schools, a public policy center and The Freedom Forum First Amendment Center. Vanderbilt offers undergraduate programs in the liberal arts and sciences, engineering, music, education, and human development as well as a full range of graduate and professional degrees. The university is consistently ranked as one of the nation's top 20 universities by publications such as U.S. News & World Report, with several programs and disciplines ranking in the top 10.

Vanderbilt University, an independent, privately supported university, and the separate, non-profit Vanderbilt University Medical Center, share a respected name and enjoy close collaboration through education and research. Together, the number of people employed by these two organizations exceeds that of the largest private employer in the Middle Tennessee region.

The Vanderbilt University Student Health Center
The Student Health Center is part of the Vanderbilt University Medical Center and serves a diverse student body of undergraduates, graduate, and professional students.

The Vanderbilt University Student Health Center is centrally located on campus in the Zerfoss Building, on the border between Vanderbilt University and Vanderbilt University Medical Center. Our facility provides a broad range of medical services including Primary Care, Acute/Walk-In Care, Allergy Shots, Eating Disorders Management, Nutrition Services, Sports Medicine, dedicated LGBTI Healthcare, Sexual and Reproductive Health, and comprehensive Travel Medicine.

We have two openings:
   1. A full-time **Primary Care Physician** (4.5 - 5 days/week)
   2. A part-time **Primary Care Physician (**2.5- 3 days/week)

A qualified candidate should be a board-certified physician who is experienced in primary care, particularly those candidates with experience with the young adult population. These positions are primarily clinical positions, but there are also many opportunities for outreach on campus and other administrative responsibilities and leadership on the campus or in our health center for those candidates with that interest.

All of our physicians are employees of the non-profit Vanderbilt University Medical Center through the Department of Medicine. Salary is based on experience. Vanderbilt University and the Vanderbilt University Medical Center are Affirmative Action and Equal Opportunity employers.

Interested parties should email a CV and letter of interest to suzy.hansen@vumc.org. Further information about our clinic can be found at www.vumc.org/student-health .
