

Well-Being Resources During COVID-19

Resources for Home Life

Care.com:

All faculty have access to low-cost services through Care.com. For more information including instructions on setting up an account visit: <https://www.vumc.org/coronavirus/latest-news/back-child-care-available-through-carecom>

Wyndy:

If you are in need of one-day backup childcare, Wyndy can help. Wyndy is a babysitting app serving more than 18,000 families in 22 cities. Please note, Wyndy is not subsidized by VUMC. For more information and to get started visit: <https://www.wyndy.com/vumc>

VUSM Volunteers:

A volunteer program developed by Vanderbilt medical students for your babysitting, pet sitting, grocery deliveries, and other needs. For more information and to request services, click [here](#). Volunteers are comprised of Vanderbilt medical, graduate, and other professional students. Please keep in mind that these services are not required by the Vanderbilt Medical School and students are not certified childcare providers.

Resources for TeleHealth Support

TeleHealth Help Desk:

For technical support, the Telehealth Help Desk is available at 3-HELP (343-4357). Select Option 4 at the prompt.

TeleHealth Instruction:

Hosted and On-Demand instructional sessions are available for providers in the Learning Exchange. Access the [Learning Exchange here](#). Click on the search tool (located at the top of the screen) and enter keyword “telehealth” to access the available learning modules.

Resources for Teaching/Meetings

ZOOM Accounts through Vanderbilt Medical School:

All faculty with a Vanderbilt.edu email address have been automatically enrolled in the Vanderbilt Medical School professional account through Zoom. By signing in with your VU ID and password (NOT your VUMC ID/password) you can take advantage of >40 minute conference calls, larger numbers of participants and advanced features. To access, visit <https://vanderbilt.zoom.us/> and then click the blue “Sign In” button to activate and configure your account. Remember to use your VU ID (not VUMC ID) to sign in. To take advantage of tip sheets offered by the Medical School IT folks, feel free to visit: <http://vanderbi.lt/vusm-zoom>

Cancelled Conferences and CV:

Were you (or one of your mentees) delivering an oral, poster or workshop presentation at a conference that was recently cancelled? Wondering how to document that work on your CV? Check out this website with recommendations regarding appropriate ways to document your effort in APA style: apastyle.apa.org/blog/canceled-conferences

Resources for Workplace Exposures

Workplace Exposure Program:

[COVID-19 Workplace Exposure Program](#) is in place for those who have cared for a patient with 2019-nCoV, who have traveled to an area with a CDC recommendation for self-monitoring, or who have come in contact with a case at home or in the community. Individuals will need to self-monitor through the Workplace Exposure Program. Click [here](#) for complete program details. Individuals with questions or concerns about known exposure can contact Occupational Health at 615-936-0965 (after hours call 615-828-7081) or email occupational.health.clinic@vumc.org
