

Kim Lori Sandler, MD
1161 21st Avenue South
CCC-1211 Medical Center North
Nashville, TN 37232-2675

kim.sandler@vanderbilt.edu

Personal Information

Date of Birth: March 17, 1983, Nashville, TN

Married: Thomas J. Rhodes, April 18, 2009
CEO The Rhodes Company, LLC, Residential and Commercial Construction

Daughter: Madison Sandler Rhodes, born June 20, 2011

Son: Joseph Jeffrey Rhodes (JJ), born April 27, 2015

Employment

Assistant Professor of Radiology and Radiological Sciences 7/1/15 - Present
Cardiovascular Imaging Section, Vanderbilt Department of Radiology

Education

Fellowship, Cardiopulmonary Imaging, 7/1/14-6/30/15
Vanderbilt Department of Radiology

Residency, Vanderbilt Department of Radiology 7/1/10-6/30/14

Internship, Vanderbilt Department of Internal Medicine 7/1/09-6/30/10

Medical School, Vanderbilt University School of Medicine 2005-2009
Doctorate of Medicine, May 2009

Undergraduate Education, Emory University, Atlanta GA 2001-2005
Bachelor of Arts, *Magna Cum Laude* with High Honors in English

Certifications and Licensure

ABR Certifying Examination
Certified by the American Board of Radiology as of October 2, 2016

ABR Core Examination
Received passing results on 12/17/2013, eligible for certifying exam in October of 2015

Tennessee Medical Licensure
Awarded in 2013

Committee Participation

The Fellow and Resident Members of the SCCT (FiRST) Committee member (2014-2016)

Elected for a two-year term in June 2014. This committee works with senior Society of Cardiovascular CT members to promote new research and leadership opportunities for residents interested in cardiac imaging.

Vanderbilt Radiology Residency Selection Committee Member (2013-Present)

Interview applicants and participate in committee meetings for match list ranking.

Honors and Awards

Radiology Resident of the Year Award, 2013

Awarded annually to one resident by the sonographers and technologists in the Vanderbilt Department of Radiology.

Roentgen Resident/Fellow Research Award, 2011-2012

May be awarded to one resident or fellow in an ACGME accredited program in recognition of outstanding radiological research.

New Investigator Honorable Mention at the American Institute of Ultrasound in Medicine (AIUM), 2012

Awarded for outstanding presentation of clinical research.

Residency Teaching Award, 2010

Awarded to medicine residents by medical students for excellence in clinical teaching.

Emory University Senior Honorary, 2005

Undergraduate students and professors at Emory University recognize one hundred students from the graduating class for academic excellence and contributions made to the university.

Presentations/Abstracts

C Myczkowski, JR Williams, MJ Mazer, and **KL Sandler**
“Differentiating Benign from Malignant Cardiac Tumors.” Electronic Exhibit, Society of Thoracic Radiology Annual Meeting, March 2016.

KL Sandler, Vaughn G. Braxton, Murray J. Mazer and Jennifer R. Williams
“Coronary Artery Fistulas: CTA and Cardiac Catheterization Correlates.” Electronic Exhibit, Radiological Society of North America Annual Meeting, Chicago, Illinois, November 2015.

ER Cochran III, JR Williams and **KL Sandler**
“CT Angiography Illustrating Preoperative Assessment and Postoperative Complications of TAVR.” Poster Presentation, Society of Thoracic Radiology Annual Meeting, Carlsbad, California, March 2015.

KL Sandler, MA Presley and JR Williams
“Incidence and Management of Mild Coronary Atherosclerotic Disease Diagnosed with Coronary CTA in the Emergency Department.” Poster Presentation, Society of Cardiovascular CT Annual Meeting, Hawaii, January 2015.

KL Sandler, LW Markham, ML Mah, E Byrum, and JR. Williams
“CT Angiography of the Chest in Patients with Fontan Physiology: Protocol to Prevent the Misdiagnosis of Pulmonary Embolism.” Poster Presentation, Society of Cardiovascular CT Annual Meeting, San Diego, CA, July 2014.

KL Sandler, SM Harvey, and RG Abramson
“‘Second Look’ Ultrasound or Mammographic Evaluation of Breast Abnormalities Detected with MRI: Is it Cost Effective?” Electronic Exhibit, American Roentgen Ray Society, Washington, D.C., April 2013.

KL Sandler, A Ahmad, and G Wile
“The Role of Magnetic Resonance Imaging in the Evaluation of Caesarean Scar Ectopic Pregnancy: A Case Review Series.” Oral Platform Presentation, New Investigator Series at the AIUM, Phoenix, AZ, March 2012.

KL Sandler and J Clayton, “O Work Divine: Sir Kenelm Digby’s Study of Poetry and Embryology,” Oral Platform Presentation, Vanderbilt University Emphasis Research Forum, Nashville, TN, April 2007.

Lectures and Course Participation

“Lung Cancer Screening,” lecture delivered at the Tennessee Radiological Society Annual Scientific Meeting on February 27, 2016

“Introduction to Chest and Abdominal Imaging,” Radiology Medical Imaging and Anatomy Course, 2015-2016
Two-part lecture given to third and fourth-year medical students in Radiology elective course.

“Chest Imaging,” Diagnostics and Therapeutics, 2015-2016
Didactic lecture and case presentation for second-year medical students during their Medicine Clerkship.

“Interpreting Chest and Abdominal Radiographs for the Anesthesia Resident,” 2012-2014
Lecture given to first year anesthesia residents on the interpretation of chest and abdominal radiographs, includes both didactic slides and cases.

“Diagnostic Imaging Studies for the Emergency Medicine and Internal Medicine Resident,” 2011-2013
Lectures given to Emergency Medicine and Internal Medicine residents that provide guidelines for ordering imaging studies based on utilization of the ACR Appropriateness Criteria.

“Introduction to Obstetric and Gynecologic Ultrasound,” 2010-2013
Lecture given to third year medical students undergoing their Obstetrics and Gynecology clerkship (8 lectures per year).

Research Interests

Lung cancer screening and improvements in early detection.

Differentiation of benign and malignant pulmonary nodules, particularly in areas of endemic histoplasmosis.

CT imaging of coronary anomalies and atherosclerotic coronary disease.
