2020

Dedicated to all our Vanderbilt University Medical Center Nurses who achieved or maintained certification in their specialty area in 2020.

This scrapbook does not reflect every VUMC Certified Nurse, but those that were able to attend the Annual Certified Nurses Day Group Photo on March 11, 2020 or submit photos of their unit's/area's certified nurses.

Certification affirms advanced knowledge, skill, and practice to meet the challenges of modern nursing.

We appreciate your dedication to those you serve and your profession.
