

VANDERBILT UNIVERSITY MEDICAL CENTER NURSING SCHOLAR'S PROGRAM WITH CUMBERLAND UNIVERSITY

VUMC Nursing Scholar's Program is a scholarship program for eligible nursing students. This program is designed as a pathway for qualified students to become Vanderbilt Health nurses. This is for pre-licensure nurses, eligible to sit for the National Council of State Boards of Nursing (NCLEX) license for Tennessee and enrolled in an accredited nursing program.

WHAT WE OFFER

VUMC will provide tuition assistance for those who receive a scholarship.

In exchange for VUMC's tuition assistance, the eligible student agrees to accept full-time employment with VUMC after passing the NCLEX and obtaining a Tennessee nursing license.

STUDENT ELIGIBILITY

Student is currently enrolled in a participating, accredited nursing program.

Students must be in good standing based on the nursing school policies.

STUDENT REPAYMENT &/OR FORGIVENESS

Students are not required to repay any tuition assistance if they remain in good standing as a VUMC employee for an agreed upon period.

If student voluntarily ends employment or is terminated from VUMC, they are required to repay VUMC for a pro-rated share of the tuition assistance.
