About our Speaker

Elizabeth has been a nurse for 8 years, with a background in both Emergency Medicine and Interventional

Cardiology. She has worked as both a staff nurse and supervisor in high-volume, high acuity adult and pediatric trauma centers, and also holds a passion for education. She is an instructor for TNCC and ENPC courses, CEN, CPEN, and TCRN Review courses, and has had the honor of presenting for multiple Emergency Nurse's Association conferences at both the state and national levels.
