## **Team Meeting for Level 3/Level 4 Threat**

Last Name/Room Number:	Purpose of Meeting:	
Threat Level:	✓ Reset and identify need for additional support	
Date of Event:	✓ Prioritize subsequent actions and care	
Start Time of Meeting:	✓ Gather additional information for learning purposes	
End Time of Meeting:	Cather additional information for real ling purposes	
Bedside nurse, SL or CSL sends an AYC page:		

- a. Patient with escalating violent behaviors triggering criteria for safety plan implementation. Could you call to discuss when you have a chance?
- 2. On that phone call, use SBAR format to schedule meeting:
  - a. Situation: Be succinct and specific such as "The patient in room XXXX is confused and kicked a nurse." or "The patient in room YYYY sexually assaulted one of our care partners."
  - b. Background: We have a pathway in place to help get medical, nursing, behavioral, and administrative representation in a quick 10-15 min meeting to help establish a plan and remove barriers to executing that plan.
  - c. Assessment: We'd like to have that meeting today to start that process.
  - d. Recommendation: Could I send you a Zoom link for a time that works best for you?
